Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.

- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

AU comité du Conseil privé a été soumis un rapport du Ministère de l'Intérieur, daté le 30 décembre 1915, représentant que M. Raoul P. Précourt a obtenu l'inscription de homestead pour le quart sud-est de la section 21, township 26, rang 12, à l'ouest du méridien principal, le 23 mai 1911 :

M. Précourt s'est acquitté de l'obligation de résidence durant deux des périodes prescrites ; il a rempli les conditions de culture et a fait des améliorations sur le terrain consistant en une maison, une étable, un grenier, des clôtures et une forge ;

Le Ministre soumet copie d'un certificat médical du docteur H. M. Murdoff déclarant que M. Précourt ne peut compléter ses obligations de résidence,—

Par conséquent, le ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales* M. Précourt soit exempté de toute autre obligation de résidence en rapport avec son homestead, soit le quart sud-est de la section 21, township 26, rang 12, à l'ouest du méridien principal, afin que la patente gratuite de son homestead lui soit délivrée dès qu'il aura prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

ATTENDU que des arrêtés en conseil datés le 17 octobre 1914 et le 19 juin 1915, concernant les terres fédérales dans la zone des chemins de fer de la Colombie-Britannique, stipulant que le temps durant lequel un inscrit est engagé en service militaire actif, lorsqu'il s'est enrôlé dans un corps militaire du Canada, de la Grande-Bretagne ou des alliés de la Grande-Bretagne dans la présente guerre, peut être compté comme période de résidence sur son homestead, et que de plus la patente de son terrain peut être délivrée à ce colon s'il est devenu invalide, ou à ses représentants légaux en cas de mort ;

Et attendu que ces dispositions ne s'appliquent qu'aux personnes qui se sont inscrites pour des terres fédérales dans la zone des chemins de fer avant leur enrôlement, ou, dans le cas de réservistes, antérieurement à la date de leur rappel au service militaire actif, et que conséquemment toute personne qui s'est inscrite après son enrôlement ou après la date de son rappel au service actif tombe sous le coup des dispositions de l'article 21 des règlements régissant l'arpentage, l'administration, la concession et la vente des terres fédérales dans la zone de quarante milles de la province de la Colombie-Britannique, lesquels règlements prescrivent que toute inscription qui n'est pas parfaite dans les douze mois de cette date sera annulée ;

Et attendu qu'il est considéré que bien qu'il puisse ne pas être de l'intérêt public d'appliquer les dispositions des dits arrêtés en conseil du 17 octobre 1914 et du 19 juin 1915 aux colons qui se sont inscrits après leur enrôlement ou après la date de leur rappel sous les armes, il ne serait pas opportun de permettre que les inscriptions de ces colons soient annulées durant leur absence en service militaire actif,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes le Ministre de l'Intérieur à protéger l'inscription dans les limites de la dite zone des chemins de fer de toute personne qui, étant membre d'un corps militaire servant comme susdit avec les forces de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre Européenne, et qui a obtenu son inscription après son enrôlement, ou après la date de son rappel au service actif, cette protection devant se continuer tant que durera ce service et pour une période n'excédant pas trois mois après que cette personne a été congédiée du corps militaire dans lequel elle servait.

IL plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes l'émission de permis de pâturage sur les terres vacantes de la province de Manitoba, dénommées auparavant terres marécageuses, mais dont le titre est maintenant attribué à la Couronne, aux conditions suivantes :

(1) La superficie maximum concédée à une seule personne ou compagnie n'excèdera pas une section.

(2) Les permis ne seront émis que pour les terres qui, après inspection par un fonctionnaire du Département de l'Intérieur, auront été trouvées impropres à l'agriculture, ou les terres à foin concédées sous l'empire des terres fédérales.

(3) Le loyer sera de 2 cents l'acre par année, payable d'avance chaque semestre.

(4) Toutes les demandes doivent être faites à l'agent des terres fédérales pour le district dans lequel le terrain est situé et doivent être accompagnées du loyer du premier semestre.

(5) Au reçu de la demande l'agent réservera les terrains disponibles demandés en attendant la décision du département quant à la concession du permis.

(6) Avant que le permis soit accordé le requérant devra afficher des avis de sa demande dans au moins quatre endroits différents bien en vue sur les terres demandées, et aussi dans le bureau de poste le plus rapproché, pendant 30 jours, et souscrire à une déclaration statutaire de ce fait.

(7) Dans les six mois de la date du permis le concessionnaire devra placer sur le terrain qui lui est concédé non moins qu'une tête de bétail ou un cheval d'au delà d'un an, ou cinq moutons, qui lui appartiennent en propre, pour chaque trente acres de terrain.

(8) Le concessionnaire gardera sur le terrain concédé le nombre requis d'animaux, et le premier juillet de chaque année il devra présenter une déclaration statutaire indiquant le nombre d'animaux qu'il a sur le terrain à cette date.

(9) Le permis expire le 31<sup>e</sup> jour de décembre qui suit la date de son émission.

(10) La concession d'un permis ne donne pas au concessionnaire le droit au renouvellement, mais le Ministre peut, à sa discrétion, renouveler les permis d'année en année, et dans ce cas le concessionnaire a le premier droit au renouvellement ; mais la demande de renouvellement doit être faite au département le plus tard le premier décembre précédant l'expiration du permis et doit être accompagnée du loyer pour le premier semestre de l'année suivante.

(11) Aucuns bâtiments ne seront érigés sur le terrain compris dans le permis, sauf ceux qui peuvent être nécessaires pour abriter le bétail.

(12) Si le concessionnaire n'obtient pas un renouvellement à l'expiration du permis, il aura le droit d'enlever dans un délai raisonnable tout bâtiment temporaire ou clôture qu'il pourra avoir érigés sur le terrain qu'il détenait.

(13) Le concessionnaire a droit au foin produit sur le terrain compris dans son permis, comme fourrage pour son bétail, mais il ne lui est pas permis de le vendre ou de l'échanger.

(14) Si le concessionnaire désire mettre des moutons en pâturage, ils doivent être enclos par une clôture qu'ils ne peuvent franchir.

(15) Le permis ne peut se transférer.

(16) Le permis est sujet à annulation sommaire dès que le concessionnaire néglige d'observer une condition quelconque des présents règlements, et aussi pour toute fausse représentation de sa part au sujet d'un fait important.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 12e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil daté le 26 août 1908 certains règlements ont été adoptés au sujet de la concession de homesteads par procuration sur les terres fédérales ;

Et attendu que ces règlements stipulaient que l'inscrit au nom duquel avait été faite cette inscription par procuration devait se présenter personnellement à l'agent des terres fédérales dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il y résiderait avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci devait annuler l'inscription sans avis, à l'expiration de six mois de la date de l'inscription,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements concernant les inscriptions de homestead par procuration, établis par le dit arrêté en conseil du 26 août 1908, soient par ces présentes modifiés comme suit :—

Nonobstant toute stipulation de l'arrêté en conseil du 26 août 1908, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 8 mai, du 20 septembre et du 9 décembre 1915, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

#### MINISTÈRE DES POSTES, CANADA.

Ottawa, 17 janvier 1916.

**A**VIS est donné par le présent qu'en vertu des pouvoirs conférés au Directeur Général des Postes par arrêté en conseil n° 94 sanctionné le 6e jour de novembre 1914, par et en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre, 1914*, le privilège des malles du Canada, à compter de la présente date, est refusé au journal tri-hebdomadaire "Svoboda," imprimé en langue ukrainienne et publié par la compagnie dite "Ukrainian National Association" au n° 83 Grand Street, Jersey City, N.J., et sa circulation en Canada est prohibée de toute manière. D'après la teneur de l'arrêté en conseil mentionné plus haut il ne sera ensuite permis à personne en Canada d'avoir en sa possession tout tel journal ou un exemplaire quelconque de ce journal déjà publié ou qui sera ensuite publié, et de plus à l'effet que toute personne ayant en sa possession tout tel journal sera passible d'une amende n'excédant pas

#### COMMISSION DU SERVICE CIVIL.

**A**VIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 10 mai 1916, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Régina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédéricton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus à commencer le 8 mai 1916. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 15 avril 1916. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,  
Secrétaire.

Ottawa, 12 janvier 1916.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit"

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

#### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

## SENAT.

### Avis de bills privés.

#### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Order in Council dated 26th August, 1908, certain regulations were adopted for granting homestead entry on Dominion Lands by proxy ;

And whereas such regulations provided that the homesteader on whose behalf such proxy entry is made, must appear personally before the Agent of Dominion Lands within six months from the date of entry and furnish a satisfactory declaration that he is already in residence or will be in residence before the six months expire. Should he fail to appear, the agent is required to cancel the entry without notice at the expiration of six months from date of entry,—

Therefore His Royal Highness the Governor General in Council is pleasee to order that the regulations with regard to proxy homestead entries, established by the said Order in Council of the 26th August, 1908, shall be and the same are hereby amended as follows:—

stead on Dominion Lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Order in Council of the 8th May, 20th September and 9th December, 1915, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance, in accordance with the provisions of the Order in Council of the 26th August, 1908.

In any case where cancellation has already been carried out in pursuance of the provisions of the Order in Council last mentioned, the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

[3093]

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 6th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Orders in Council, dated 17th October, 1914, and 19th June, 1915, with respect to Dominion lands within the Railway Belt of British Columbia provision was made for reckoning as residence spent on a homestead the time of an entrant on active military service who enrolled as a member of a military force of Canada or Great Britain or of the Allies of Great Britain in the present war; also, for the issue of patent to such homesteader if disabled or to his legal representatives in the event of death;

And whereas those provisions apply only to those persons who made entry for Dominion land in the Railway Belt prior to enlistment, or in the case of reservists prior to the date of their recall for active military service, and that consequently any person who made entry for Dominion land after enlistment or after the date of his recall as aforesaid would come under the provisions of section 21 of the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-Mile Railway Belt in the Province of British Columbia, which sets forth that any entry which is not perfected within twelve months from the date thereof shall be cancelled;

And whereas it is considered that, while it might not be in the public interest to extend the benefit of the said Orders in Council of 17th October, 1914, and 19th June, 1915, to settlers making entry after enlistment or after the date of their recall to the colours, it would not be advisable to allow the entries of such settlers to be cancelled during their absence on active military service,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the Minister of the Interior to protect the entry within the said Railway Belt of any person who, being a member of any body or force serving as aforesaid with the forces of Great Britain or of any of her allies during the present European war, and who secured such entry after enlistment, or after the date of his recall for active service, such protection to hold good during the continuance of such service and for a period not exceeding three months after his discharge from the military force with which he has been serving.

And whereas the Minister of the Interior is of opinion that the application should receive favourable consideration and the land in question is available according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council, is pleased, under the provisions of section 76 of The Dominion Lands Act, to set apart and appropriate for cemetery purposes two acres of land comprised in the southwest corner of the S.W.  $\frac{1}{4}$  of Section 15, Township 25, Range 11, west of the Fourth Meridian, and to authorize a grant thereof to the Rural Municipality of Berry Creek No. 214, in the said Province of Alberta, for the said purposes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS section 22 of the Regulations governing the Dominion Forest Reserves, approved by Order in Council of the 8th August, 1913, provides that application for a permit to cut the free allowance of timber granted to a homesteader must be made within five years from the date of homestead entry;

And whereas representations have been made to the Department of the Interior that the operation of this provision may occasion hardship to some of the settlers in districts adjacent to some of the forest reserves in Northern Saskatchewan;

And whereas an enquiry into the matter shows that on account of climatic and other conditions in some of the northern regions many homesteaders have not been able to develop their homesteads as rapidly as others more favourably situated, and in consequence some hardship is likely to be caused at the present time by the enforcement of the provisions referred to,—

Therefore His Royal Highness the Governor General in Council, in order to enable such homesteaders to obtain the free allowance of timber, and to give adequate notice of the establishment of the limit of five years, is pleased to order and doth hereby order that the limitation period be extended from five to eight years on the Porcupine, Pasquia, Fort a la Corne, Sturgeon and Big River Forest Reserves in Saskatchewan, and the Lesser Slave Forest Reserve in Alberta; such extension of time to remain in force until the 1st day of May, 1918.

RODOLPHE BOUDREAU,

AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS application was made by the Trustees of the Portreeve School District No. 3028 of the Province of Saskatchewan for permission to acquire four acres of land on the north boundary of the north-east quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, for the purpose of a school site, and also to acquire a strip of land thirty-three feet in width on the north boundary of the quarter section between the school site and the regular road allowance, as shown on the tracing herewith, for the purposes of a road to give access to the school site;

And whereas, under the provisions of The Dominion Lands Act, the Minister of the Interior has power to sell by private sale to Boards of Trustees the land required in school sections for school sites, or for purposes properly connected therewith, provided the application of the Trustees is endorsed by the Minister or Deputy Minister of Education for the Province in which the land is situated;

And whereas, in the present instance, the application of the Trustees was duly endorsed by the Deputy Minister of Education for the Province of Saskatchewan, and the land required for the school site, comprising four acres, was accordingly sold to the Board of Trustees, in accordance with the provisions of The Dominion Lands Act;

And whereas there is no provision in The Dominion Lands Act for the sale of land in school sections required for roads and the Trustees were, therefore, informed that the only thing that could be done would be to reserve by Order in Council the strip of land thirty-three feet in width required for a public road adjoining the north boundary of the quarter-section between the school site and the road allowance on the east boundary of the section;

And whereas The Dominion Lands Act also provides that all parcels of land sold to School Boards for the purposes of the school sites must adjoin a road allowance and it is necessary, therefore, to provide a road to give access to this parcel,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the reservation, during the pleasure of the Governor General in Council, of a strip of land one-half chain in width on the north boundary of the northeast quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, lying between the school site and the regular road allowance on the east boundary of the said section, as shown on tracing herewith, so as to give access to the school site.

AT THE GOVERNMENT HOUSE AT OTTAWA.  
Thursday, the 6th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 30th December, 1915, from the Minister of the Interior, submitting that Mr. Raoul P. Precourt was granted homestead entry for the south-east quarter of section 21, Township 26, Range 12, west of the Principal Meridian, on the 23rd May, 1911;

That Mr. Precourt has practically performed two terms of residence, has fulfilled the cultivation conditions and his other improvements consist of a house, stable, granary, fencing and blacksmith shop;

The Minister also submits a copy of a medical certificate from H. M. Murdoff, M.D., stating that Mr. Precourt is unfit to complete his residence duties,—

The Minister therefore recommends that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mr. Precourt's homestead, the south-east quarter of Section 21, Township 26, Range 12, west of the Principal Meridian, under the authority of subsection 2 of section 20, of the Act so that free patent may be issued to Mr. Precourt for his homestead, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

Where passengers, however, are returning to original starting point in the United States or Canada, only the presentation of railroad ticket from port of entry to destination (stamped "Around-the-World") will be required.

(c) On Trans-Pacific tickets (i.e., tickets reading to or from Trans-Pacific points and stamped "Trans-Pacific") subject to limitations shown in Rule 19, there will be checked without charge three hundred and fifty (350) pounds of baggage, not exceeding one hundred dollars (\$100.00) in value, for each adult passenger, and one hundred and seventy-five (175) pounds, not exceeding fifty dollars (\$50.00) in value, for each child travelling on a half ticket.

Unless otherwise specifically authorized by tariff no special allowance beyond one hundred and fifty (150) pounds per ticket will be made commercial travellers presenting excursion, summer tourist, convention or second-class tickets issued to the public, even though commercial travellers' certificate is presented with such ticket. A free allowance of not more than one hundred and fifty (150) pounds of sample and personal baggage will be granted any commercial traveller who is not a member of a recognized Canadian com-

mercial travellers' association. Baggage must be checked only to destination (except where stop-over is allowed, or as per clause (b) of this rule), and via same route as passage ticket and must be weighed each time checked. Only one ticket will be honoured in checking any one lot of sample baggage except that when a commercial traveller is accompanied by an assistant who is solely in his employ, or that of the firm he represents, the authorized free allowance may be granted on each ticket.

(b) Commercial travellers presenting week-end tickets may have usual allowance of three hundred (300) pounds of sample baggage, and personal baggage checked free on going or return journey either to destination of ticket, or to an intermediate point, provided such point is on direct route of ticket.

(c) In consideration of special concessions granted to commercial travellers, the carrier will not be liable for any claim in respect of or consequent upon any loss of or damage or delay to any sample baggage or personal baggage transported for a commercial traveller as such whether the same is charged for as excess baggage or carried as free allowance.

#### LIMIT OF WEIGHT.

Rule 19.—No single piece of baggage or other article of any class weighing more than 250 pounds (except immigrant baggage, checked at port of landing) will be accepted for transportation in regular baggage service.

#### EXCESS SIZE.

Rule 20.—(a) For any piece of baggage or other article transported in regular baggage service any dimension of which exceeds forty-five (45) inches, there will be a charge for each inch in excess of forty-five (45) inches for each such dimension equal to the charge for five (5) pounds of excess weight, measurements to include gable or dome-shaped ends or similar protuberances.

(b) Any piece of baggage or other article, the greatest dimension of which exceeds seventy-two (72) inches will not be transported in regular baggage service.

(c) Exceptions: This rule will not apply to the following:

- (2) Bicycles not in trunks.

- (14) Fishing rods, properly encased.

#### EXCESS WEIGHT.

Rule 21.—(a) Baggage or any other articles specified in Rule 12 weighing more than the free allowance will be charged for in accordance with carrier's current tariff.

(b) Charges for excess weight should be prepaid.

#### METHOD OF COMPUTING CHARGE FOR EXCESS WEIGHT, EXCESS SIZE AND MINIMUM CHARGE.

Rule 22.—Should a single lot of baggage be of excess weight or excess size, or both, the total

charge will be computed by adding 5 pounds per inch of excess size to the number of pounds of excess weight and multiply the total number of pounds so computed by the excess baggage rate per hundred.

The following illustrates the method of computation:

(1) If a trunk is 47 inches long (and there is no excess weight the extra charge would be computed on the basis of 2 inches (10 pounds).

(2) If a trunk is 47 inches wide and 49 inches long (and there is no excess weight) the extra charge would be computed on basis of 6 inches (30 pounds), since two of the dimensions exceed 45 inches.

(3) If a trunk is 47 inches high, 48 inches wide and 49 inches long (and there is no excess weight), the extra charge would be computed on the basis of 9 inches (45 pounds), as in that case three of the dimensions exceed 45 inches.

(4) If a trunk is 47 inches high, 48 inches wide and 49 inches long and there is 100 pounds excess weight, the extra charge would be computed on the basis of 9 inches (45 pounds for excess dimension) and 100 pounds for excess weight, total 145 pounds.

The minimum collection for any shipment of excess baggage, either of excess weight or excess size or both, will be 25 cents.

No charge will be made for a fraction of an inch.

Charge for excess size must be made regardless of the number of tickets presented.

#### STORAGE.

Rule 23.—(a) Storage will be charged in accordance with current tariff on each piece of baggage or other articles carried in regular baggage service, either inbound or outbound, checked, or not checked, remaining at stations or wharves over twenty-four hours.

Exceptions.—(1) Baggage and other articles will be held free when received at any hour Saturday and claimed before same hour Monday following, or when received at any hour Sunday and claimed before midnight Monday following. If not claimed within the time specified, storage will commence 24 hours after receipt of the baggage or other article. Dominion holidays will be treated same as Sundays. When a Dominion holiday falls on Saturday or Monday, or is observed on either of those days, the Sunday and the Dominion holiday combined will be treated the same as Sunday. No deduction will be made for Sundays or Dominion holidays after storage has begun.

(2) Sample baggage of commercial travellers holding current year's commercial travellers' transportation privilege certificates, arriving at stations in Canada after 1.00 p.m. Fridays, will be stored free of charge until midnight the Monday following.

(3) Storage charges will be waived on baggage belonging to Trans-Pacific and Around-the-World passengers while en route through Canada.

(b) On any such baggage or other articles delivered at stations or wharves under claim or identification checks which is reclaimed and not checked out, or for which valid transportation is not produced showing that the owner is a passenger, storage will be charged at rate as per current tariff, without any free time allowance.

(c) Such baggage or other articles in bond will be subject to storage charges when checked to and bonded on a station at which a customs officer is regularly on duty at train time. Such baggage and other articles in bond under other circumstances will not be subject to storage charges.

(d) After the expiration of 24 hours from the receipt of such baggage or articles in storage, the carrier shall be liable as a warehouseman only.

#### LOST DUPLICATE CHECKS.

Rule 24.—If passenger loses a duplicate baggage or parcel room check and can identify himself or herself to the satisfaction of the carrier as the owner of such baggage or article, it will be delivered on payment of charge in accordance with current tariff for lost duplicate check and on signing a lost duplicate check receipt. On return of lost check to carrier making collection, amount collected will be refunded.

#### IDENTIFICATION CLAIM CHECKS.

Rule 25.—All baggage or other articles delivered at stations or wharves and not immediately checked to destination should bear a claim check or the baggagemen must be requested to issue an identification claim check when the baggage or other articles are received, otherwise no responsibility will be assumed by the carriers for such baggage or other articles left on their premises.

#### GENERAL RULES.

Rule 26.—(a) Any articles not specified in the foregoing rules shall not be carried in regular baggage service.

(b) Passengers should make memorandum of their baggage check numbers.

(c) In the case of baggage or other articles checked upon a through ticket at any point in Canada for conveyance to another point in Canada over any railway or railways subject to the legislative jurisdiction of the Parliament of Canada, other than the Intercolonial Railway and the National Transcontinental, the carrier checking such baggage or other articles, in addition to its other liability under these regulations shall be liable to the extent provided for by these regulations for any loss, damage or injury to such baggage or other articles caused by or resulting from the act, neglect or default of the connecting or other carrier to which such baggage or other articles may be delivered in Canada, and from which the connecting or other carrier is not by these regulations or otherwise by law relieved; and the carrier so checking the baggage or other articles shall be entitled to recover from the connecting or other carrier on whose line the loss, damage or injury shall have been sustained, the amount of such loss, damage or injury as it (the checking carrier) may be required to pay under this regulation, as may be evidenced by any receipt, judgment or transcript thereof; and except as provided by this regulation the liability of the carriers for loss of or damage or delay to baggage or other articles checked to points beyond their lines shall cease as soon as such baggage or article is delivered to the next connecting carrier.

#### CIVIL SERVICE COMMISSION.

PUBLIC Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 10th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Ed-

monton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held beginning on the 8th May, 1916. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 15th April, 1916. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,

Secretary.

Ottawa, 12th January, 1916.

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

GÉNÉRAL EN CONSEIL.

ATTENDU que les Révérends Pères Oblats ont demandé la concession gratuite d'un certain terrain situé à l'embouchure de la rivière Berens sur la rive est du lac Winnipeg dans la province de Manitoba ;  
Et attendu que d'après la preuve soumise M. Joseph Boucher occupait ce terrain et y résidait à la date de la conclusion du traité indien n° 5 en septembre 1876 et pendant plusieurs années subséquentes, et que des cessions ont été enregistrées au Département de l'Intérieur du droit de M. Boucher à ce terrain au révérend M. Magnan et de ce dernier au présent requérant ;  
Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la Loi des terres fédérales, d'autoriser par ces présentes la concession gratuite aux Révérends Pères Oblats du dit terrain, qui peut être décrit plus minutieusement comme suit :—  
Commençant à un point sur la borne est de la réserve indienne de Berens n° 13 ainsi qu'arpenté par J. L. P. O'Hanly, arpenteur des terres fédérales, et indiqué sur un plan d'arpentage de la dite réserve déposé au Département de l'Intérieur sous le numéro 975, lequel point est éloigné de 90 chaînes mesurées dans la direction du sud le long de la dite borne est à partir de l'angle nord-est de la dite réserve ; de là vers l'ouest en suivant la borne sud de la dite réserve sur une distance de 84 chaînes plus ou moins jusqu'à la rive est du dit lac ; de là vers le sud en suivant la dite rive est jusqu'à un point éloigné de 20 chaînes perpendiculairement dans la direction du sud de la dite borne sud de la dite réserve ; de là vers l'est et parallèlement

Un comité du Conseil privé a été soumis un rapport du Ministère de l'Intérieur, daté le 30 décembre 1915, représentant que M. Raoul P. Précourt a obtenu l'inscription de homestead pour le quart sud-est de la section 21, township 26, rang 12, à l'ouest du méridien principal, le 23 mai 1911 :

M. Précourt s'est acquitté de l'obligation de résidence durant deux des périodes prescrites; il a rempli les conditions de culture et a fait des améliorations sur le terrain consistant en une maison, une étable, un grenier, des clôtures et une forge;

Le Ministre soumet copie d'un certificat médical du docteur H. M. Murdoff déclarant que M. Précourt ne peut compléter ses obligations de résidence,—

Par conséquent, le ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales* M. Précourt soit exempté de toute autre obligation de résidence en rapport avec son homestead, soit le quart sud-est de la section 21, township 26, rang 12, à l'ouest du méridien principal, afin que la patente gratuite de son homestead lui soit délivrée dès qu'il aura prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que des arrêtés en conseil datés le 17 octobre 1914 et le 19 juin 1915, concernant les terres fédérales dans la zone des chemins de fer de la Colombie-Britannique, stipulant que le temps durant lequel un inscrit est engagé en service militaire actif, lorsqu'il s'est enrôlé dans un corps militaire du Canada, de la Grande-Bretagne ou des alliés de la Grande-Bretagne dans la présente guerre, peut être compté comme période de résidence sur son homestead, et que de plus la patente de son terrain peut être délivrée à ce colon s'il est devenu invalide, ou à ses représentants légaux en cas de mort;

Et attendu que ces dispositions ne s'appliquent qu'aux personnes qui se sont inscrites pour des terres fédérales dans la zone des chemins de fer avant leur enrôlement, ou, dans le cas de réservistes, antérieurement à la date de leur rappel au service militaire actif, et que conséquemment toute personne qui s'est inscrite après son enrôlement ou après la date de son rappel au service actif tombe sous le coup des dispositions de l'article 21 des règlements régissant l'arpentage, l'administration, la concession et la vente des terres fédérales dans la zone de quarante milles de la province de la Colombie-Britannique, lesquels règlements prescrivent que toute inscription qui n'est pas parfaite dans les douze mois de cette date sera annulée;

91369 5

Et attendu qu'il est considéré que bien qu'il puisse ne pas être de l'intérêt public d'appliquer les dispositions des dits arrêtés en conseil du 17 octobre 1914 et du 19 juin 1915 aux colons qui se sont inscrits après leur enrôlement ou après la date de leur rappel sous les armes, il ne serait pas opportun de permettre que les inscriptions de ces colons soient annulées durant leur absence en service militaire actif,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes le Ministre de l'Intérieur à protéger l'inscription dans les limites de la dite zone des chemins de fer de toute personne qui, étant membre d'un corps militaire servant comme susdit avec les forces de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre Européenne, et qui a obtenu son inscription après son enrôlement, ou après la date de son rappel au service actif, cette protection devant se continuer tant que durera ce service et pour une période n'excédant pas trois mois après que cette personne a été congédiée du corps militaire dans lequel elle servait.

Un comité du Conseil privé a été soumis un rapport du Ministère de l'Intérieur, daté le 27 décembre 1915, représentant que M. Cecil John Watkins a obtenu une inscription de homestead pour le quart nord-ouest de la section 14, township 36, rang 10, à l'ouest du 2e méridien, le 15 novembre 1911.

Le Ministre déclare que d'après les renseignements reçus ce colon s'est acquitté des obligations suivantes de résidence :

Du 15 décembre 1911 au 10 avril 1913.

Améliorations :

Maison.....	\$45 00
Puits .....	15 00

Il a été représenté au Département de l'Intérieur que M. Watkins souffre de tuberculose pulmonaire et qu'il est actuellement alité et n'entretient aucun espoir de pouvoir revenir de l'Angleterre.

Le Ministre soumet la copie ci-annexée d'un certificat médical et, en vue des déclarations qui y sont contenues, il recommande que M. Watkins soit exempté de toute autre obligation de résidence et qu'en vertu des dispositions du paragraphe 2 de l'article 20 du chapitre 20, 7-8 Edouard VII, les lettres patentes de son homestead lui soient accordées dès qu'il aura prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

## SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil daté le 26 août 1908 certains règlements ont été adoptés au sujet de la concession de homesteads par procuration sur les terres fédérales ;

Et attendu que ces règlements stipulaient que l'inscrit au nom duquel avait été faite cette inscription par procuration devait se présenter personnellement à l'agent des terres fédérales dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il y résiderait avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci devait annuler l'inscription sans avis, à l'expiration de six mois de la date de l'inscription,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements concernant les inscriptions de homestead par procuration, établis par le dit arrêté en conseil du 26 août 1908, soient par ces présentes modifiés comme suit :—

Nonobstant toute stipulation de l'arrêté en conseil du 26 août 1908, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 8 mai, du 20 septembre et du 9 décembre 1915, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le

fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

ATTENDU que l'article 22 des règlements pour l'administration des réserves forestières fédérales, approuvés par un arrêté en conseil du 8 août 1913, stipule que la demande d'un permis de couper le bois gratuitement concédé à un colon doit être faite dans les cinq ans de la date de l'inscription de homestead ;

Et attendu que des représentations ont été faites au Ministre de l'Intérieur que l'application de cette stipulation pouvait nuire à quelques-uns des colons des districts voisins des réserves forestières dans la Saskatchewan-Nord ;

Et attendu qu'une enquête à ce sujet révèle qu'à causes des conditions climatiques et autres dans certaines des régions du nord, nombre de colons n'ont pu développer leur homestead aussi rapidement que d'autres plus favorablement situés, et qu'en conséquence ils souffriront probablement de l'application des dispositions de l'article ci-dessus nommé,—

GÉNÉRAL EN CONSEIL.

ATTENDU que les Commissaires du district scolaire n° 3028 de la province de la Saskatchewan ont demandé la permission d'acheter quatre acres de terrain sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, pour l'emplacement d'une école, et aussi d'acquérir une lisière de terrain de trente-trois pieds de large sur la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin, ainsi qu'indiqué sur le tracé ci-joint, pour un chemin qui donnera accès au terrain de l'école ;

Et attendu qu'en vertu des dispositions de la *Loi des terres fédérales* le Ministre de l'Intérieur peut vendre par vente privée aux commissions scolaires le terrain requis pour des emplacements d'école dans les sections scolaires ou pour des fins qui s'y rapportent, pourvu que la demande des commissaires soit approuvée par le Ministre ou le sous-ministre de l'Education de la province où le terrain est situé ;

Et attendu que dans le cas présent la demande des commissaires a été dûment approuvée par le sous-ministre de l'Education de la province de la Saskatchewan et que le terrain requis pour l'emplacement de l'école, comprenant quatre acres, a été en conséquence vendu à la commission scolaire conformément aux dispositions de la *Loi des terres fédérales* ;

Et attendu que la *Loi des terres fédérales*, ne contient aucune disposition concernant la vente, dans les sections scolaires, de terrains requis pour des chemins et que les commissaires ont été avisés que tout ce qui pouvait être fait était de réserver par arrêté en conseil la lisière de terrain de trente-trois pieds de large requise pour un chemin public le long de la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section ;

Et attendu que la *Loi des terres fédérales* prescrit aussi que tous les terrains vendus aux commissions scolaires pour emplacements d'école doivent être adjacents à une réserve de chemin, et qu'il est nécessaire, par conséquent, d'ouvrir un chemin pour donner accès à ce terrain,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes la mise en réserve, durant le bon plaisir du Gouverneur général en conseil, d'une lisière de terrain d'une demi-chaîne de large sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, située entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section, ainsi qu'indiqué sur le tracé ci-joint, afin de donner accès au terrain de l'école.

## COMMISSION DU SERVICE CIVIL.

AVIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 10 mai 1916, à Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédérickton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus à commencer le 8 mai 1916. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 15 avril 1916. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,

Secrétaire.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cent dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit"

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) #### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

## SENAT.

### Avis de bills privés.

#### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

# THE ROYAL RED CROSS WARRANT.

GEORGE R. I.

GEORGE THE FIFTH by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India. To all whom these Presents shall come Greeting:—

Whereas Her late Majesty Our Beloved Grandmother Queen Victoria by a Warrant dated the 23rd day of April, 1883, did institute, constitute and create a Decoration designated "The Royal Red Cross" to be awarded in recognition of special services rendered in nursing the sick and wounded of Our Army and Navy and did make, ordain and establish certain rules and ordinances for the government of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 11th day of December, 1897, the 24th day of July, 1902, and the 8th day of September, 1909;

And whereas it is Our Royal Will and Pleasure that further provision shall be made for the recognition of such special services rendered in nursing the sick and wounded of Our Army and Navy,—

Now therefore We do hereby declare that the rules and ordinances heretofore in force for the government of the said Decoration shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—The Decoration shall be styled and designated "The Royal Red Cross," and shall be divided into two Classes.

The First Class shall consist of a Cross, enamelled red, edged with gold, having on the arms thereof the words Faith, Hope, Charity, with the date of the institution of the Decoration; the centre having thereon in relief the Royal and Imperial Effigy. On the reverse thereof the Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

The Second Class shall consist of a Cross which shall be of the same form and size as in the First Class, but shall be of frosted silver and shall have superimposed thereon a Maltese Cross enamelled red not exceeding half its dimensions, the centre having thereon in relief the Royal and Imperial Effigy. The reverse shall have inscribed on the arms thereof the words Faith, Hope, Charity, and the date of institution of the original

Decoration, and shall bear in the centre in relief the Royal and Imperial Cipher and Crown.

Secondly.—The Cross in either Class shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the Decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves in providing for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of this Decoration upon any members of the Nursing Services without restriction as to rank, or upon other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War or by the First Lord of the Admiralty, as the case may be, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Fifthly.—The number of awards in the First Class of the Decoration shall not exceed two per cent of the total establishment of Nurses, and the number of awards in the Second Class of the Decoration shall not exceed five per cent of the total establishment of Nurses, the allotments to be proportionate to the numbers of each Nursing Service provided nevertheless that it shall be competent for Us, Our Heirs and Successors, to make such additions as, under exceptional circumstances, We may deem fitting.

Sixthly.—Recipients of the Second Class of the Decoration shall be eligible for advancement to the First Class as vacancies may arise.

Seventhly.—Recipients of the First Class of the Decoration shall be designated Members of the Royal Red Cross, and shall be entitled to the letters R.R.C. following their names. Recipients of the Second Class of the Decoration shall be designated Associates of the Royal Red Cross, and shall be entitled to the letters A.R.R.C. following their names.

Eighthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of the Decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War as having voluntarily undertaken the duties of establishing, conducting or assisting in hospitals for the treatment of sick and wounded soldiers and sailors of Our Army and Navy, or of Our Indian Military Forces or of the Naval and Military Forces of Our Self-governing Dominions beyond the Seas, or as having performed valuable services with the Red Cross or kindred societies at home or abroad, or as having otherwise rendered eminent services in the care of sick and wounded soldiers and sailors of Our Army and Navy; and it is hereby ordained that all persons appointed under this Clause shall be regarded as Honorary Members or Associates, and their appointments shall be additional to the establishment ordained in the Fifth Clause of this Our Royal Warrant.

Ninthly.—The names of those upon whom We may be pleased to confer the Decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Tenthly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under the Royal Sign Manual, from the register of those upon whom the said Decoration shall have been conferred. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Lastly.—We reserve to Ourselves, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Royal Sign Manual.

Given at Our Court at *St. James's*, this Tenth day of *November*, 1915, in the Sixth year of Our Reign.

#### ORDERS IN COUNCIL.

[173]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 28th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS the Commissioners of the Transcontinental Railway have applied for the setting apart for right of way, for the Eastern Division of the National Transcontinental Railway, of the land taken for such right of way, across the southwest quarter of section 35, township 10, range 11, east of the Principal Meridian, in the Province of Manitoba.

And whereas the said commissioners have complied with the requirements of Section 13 of Chapter 71 of the Act 3 Edward the Seventh, providing for the filing of a plan of the railway in the Land Titles Office for the District in which the land is situate, and the land in question is available for the purpose.

Therefore His Royal Highness the Governor General in Council is pleased, under and in virtue of the provisions of Sections 14 of the said Act, to set apart, for the purposes of the Eastern Division of the said Railway, the land taken for the said right of way, hereinafter particularly described, that is to say :

“All that portion of the south-west quarter of section thirty-five in the tenth township in the eleventh range East of the Principal meridian, which lies between two lines parallel with and each said line being fifty feet perpendicularly distant on opposite sides from the centre line of the National Transcontinental Railway, as the same is now located across said land and lands adjoining the same, and containing by admeasurement six and six hundredths across more or less, and as shown on a plan of the said railway, signed by W. B. Young, Dominion Land Surveyor, on the 31st day of July, A.D., 1907, and of record in the Department of the Interior as number 13,048, a duplicate whereof is on file in the Winnipeg Land Titles Office as number 1,275.”

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

32-4

[3093]  
AT THE GOVERNMENT HOUSE AT OTTAWA.  
Thursday, the 6th day of January, 1916.  
PRESENT :  
HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Orders in Council, dated 17th October, 1914, and 19th June, 1915, with respect to Dominion lands within the Railway Belt of British Columbia provision was made for reckoning as residence spent on a homestead the time of an entrant on active military service who enrolled as a member of a military force of Canada or Great Britain or of the Allies of Great Britain in the present war ; also, for the issue of patent to such homesteader if disabled or to his legal representatives in the event of death ;  
And whereas those provisions apply only to those persons who made entry for Dominion land in the Railway Belt prior to enlistment, or in the case of reservists prior to the date of their recall for active military service, and that consequently any person who made entry for Dominion land after enlistment or after the date of his recall as aforesaid would come under the provisions of section 21 of the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-Mile Railway Belt in the Province of British Columbia, which sets forth that any entry which is not perfected within twelve months from the date thereof shall be cancelled;  
And whereas it is considered that, while it might not be in the public interest to extend the benefit of the said Orders in Council of 17th October, 1914, and 19th June, 1915, to settlers making entry after enlistment or after the date of their recall to the colours, it would not be advisable to allow the entries of such settlers to be cancelled during their absence on active military service,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the Minister of the Interior to protect the entry within the said Railway Belt of any person who, being a member of any body or force serving as aforesaid with the forces of Great Britain or of any of her allies during the present European war, and who secured such entry after enlistment, or after the date of his recall for active service, such protection to hold good during the continuance of such service and for a period not exceeding three months after his discharge from the military force with which he has been serving.

29-4                      RODOLPHE BOUDREAU,  
   Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS application was made by the Trustees of the Portreeve School District No. 3028 of the Province of Saskatchewan for permission to acquire four acres of land on the north boundary of the northeast quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, for the purpose of a school site, and also to acquire a strip of land thirty-three feet in width on the north boundary of the quarter section between the school site and the regular road allowance, as shown on the tracing herewith, for the purposes of a road to give access to the school site;

And whereas, under the provisions of The Dominion Lands Act, the Minister of the Interior has power to sell by private sale to Boards of Trustees the land required in school sections for school sites, or for purposes properly connected therewith, provided the application of the Trustees is endorsed by the Minister or Deputy Minister of Education for the Province in which the land is situated;

And whereas, in the present instance, the application of the Trustees was duly endorsed by the Deputy Minister of Education for the Province of Saskatchewan, and the land required for the school site, comprising four acres, was accordingly sold to the Board of Trustees, in accordance with the provisions of The Dominion Lands Act;

And whereas there is no provision in The Dominion Lands Act for the sale of land in school sections required for roads and the Trustees were, therefore, informed that the only thing that could be done would be to reserve by Order in Council the strip of land thirty-three feet in width required for a public road adjoining the north boundary of the quarter-section between the school site and the road allowance on the east boundary of the section;

And whereas The Dominion Lands Act also provides that all parcels of land sold to School Boards for the purposes of the school sites must adjoin a road allowance and it is necessary, therefore, to provide a road to give access to this parcel,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the reservation, during the pleasure of the Governor General in Council, of a strip of land one-half chain in width on the north boundary of the northeast quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, lying between the school site and the regular road allowance on the east boundary of the said section, as shown on tracing herewith, so as to give access to the school site.

WHEREAS application has been made on behalf of the Village of Walsh, in the province of Alberta, for a grant for cemetery purposes of one acre of land comprised in the southwest corner of the S.W.  $\frac{1}{4}$  of Section 34, Township 11, Range 1, west of the Fourth Meridian, in the said Province of Alberta;

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration and the land in question is available according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council, under the provisions of section 76 of The Dominion Lands Act, is pleased to set apart and appropriate the said land for cemetery purposes and to authorize a grant thereof to the village of Walsh, in the Province of Alberta, for the said purpose.

RODOLPHE BOUDREAU,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS section 22 of the Regulations governing the Dominion Forest Reserves, approved by Order in Council of the 8th August, 1913, provides that application for a permit to cut the free allowance of timber granted to a homesteader must be made within five years from the date of homestead entry;

And whereas representations have been made to the Department of the Interior that the operation of this provision may occasion hardship to some of the settlers in districts adjacent to some of the forest reserves in Northern Saskatchewan;

And whereas an enquiry into the matter shows that on account of climatic and other conditions in some of the northern regions many homesteaders have not been able to develop their homesteads as rapidly as others more favourably situated, and in consequence some hardship is likely to be caused at the present time by the enforcement of the provisions referred to,—

Therefore His Royal Highness the Governor General in Council, in order to enable such homesteaders to obtain the free allowance of timber, and to give adequate notice of the establishment of the limit of five years, is pleased to order and doth hereby order that the limitation period be extended from five to eight years on the Porcupine, Pasquia, Fort a la Corne, Sturgeon and Big River Forest Reserves in Saskatchewan, and the Lesser Slave Forest Reserve in Alberta: such extension of time to remain in force until the 1st day of May, 1918.

The Minister states :—

Bounded on the east and west by the right and left banks respectively of the Athabaska river ; and on the north and south by lines parallel to and one hundred feet perpendicularly distant on each side from a line and the production thereof, which line being the centre line of the Canadian Northern Alberta Railway intersects the said banks and runs on an astronomical bearing of south sixty-five degrees and twenty-five minutes west through a point situate one thousand three hundred and seventy-nine feet and four-tenths of a foot, more or less, north, and two thousand one hundred and thirty feet and eight-tenths of a foot, more or less, west of the southeast corner of the northeast quarter of the said section one ; the said parcel containing an area of two acres and seven-tenths of an acre, more or less, and shown coloured pink on the sketch hereto attached.

The said license of occupation to be for such length of time as the bridge may be required in connection with the operation of the railway at an annual rental of \$1.00 per annum ; and to be subject in respect of the construction and maintenance of the said bridge, to full compliance by the Company with the provisions of the Navigable Waters Protection Act.

The Committee concur in the foregoing and submit the same for approval.

And whereas such regulations provided that the homesteader on whose behalf such proxy entry is made, must appear personally before the Agent of Dominion Lands within six months from the date of entry and furnish a satisfactory declaration that he is already in residence or will be in residence before the six months expire. #### PERSONAL BAGGAGE ALLOWANCE.

Rule 17.—(a) Subject to limitations as shown in Rules 19 and 20, one hundred and fifty (150) pounds of baggage, not exceeding one hundred dollars (\$100.00) in value, will be checked without charge for each adult passenger, and seventy-five (75) pounds, not exceeding fifty dollars (\$50.00) in value, for each child travelling on a half ticket.

(b) On "Around-the-World" tickets, subject to limitations shown in Rule 19, there will be checked without charge three hundred and fifty (350) pounds of baggage, not exceeding one hundred dollars (\$100.00) in value, for each adult passenger, and one hundred and seventy-five (175) pounds, not exceeding fifty dollars (\$50.00) in value, for each child travelling on a half ticket.

To secure above allowance, where passengers are en route to Trans-Atlantic or Trans-Pacific points, they must present, at time of checking, a through railroad ticket reading up to the Atlantic or Pacific Coast port (as the case may be) and an order or ticket covering steamship transportation beyond, provided both the railroad ticket and the steamship order or ticket are stamped "Around-the-World." Where passengers, however, are re-

turning to original starting point in the United States or Canada, only the presentation of railroad ticket from port of entry to destination (stamped "Around-the-World") will be required.

(c) On Trans-Pacific tickets (i.e., tickets reading to or from Trans-Pacific points and stamped "Trans-Pacific") subject to limitations shown in Rule 19, there will be checked without charge three hundred and fifty (350) pounds of baggage, not exceeding one hundred dollars (\$100.00) in value, for each adult passenger, and one hundred and seventy-five (175) pounds, not exceeding fifty dollars (\$50.00) in value, for each child travelling on a half ticket.

To secure the above allowance, where passengers holding such tickets are en route to Trans-Pacific points, they must present, at time of checking, a through railroad ticket reading up to the Pacific Coast port and an order or ticket covering steamship transportation beyond, provided both the railroad ticket and the steamship order or ticket are stamped "Trans-Pacific," "Coin Trans-Pacific" or "Domestic Trans-Pacific." Where passengers, however, are en route from Trans-Pacific points, only the presentation of railroad ticket from Pacific Coast port to destination or to Atlantic port (stamped "Trans-Pacific") will be required.

(d) Articles specified in Rule 12 shall be included in the weight of passenger's baggage.

#### COMMERCIAL TRAVELLERS' BAGGAGE ALLOWANCE AND LIABILITY.

Rule 18.—(a) Subject to limitations as shown in Rules 19 and 20, three hundred (300) pounds of sample and personal baggage will be checked free between points in Canada only, and then only on presentation of current year's Canadian commercial travellers' transportation privilege certificate (on which baggage privileges must be endorsed) together with commercial travellers' passage ticket which must bear corresponding number. Unless otherwise specifically authorized by tariff no special allowance beyond one hundred and fifty (150) pounds per ticket will be made commercial travellers presenting excursion, summer tourist, convention or second-class tickets issued to the public, even though commercial travellers' certificate is presented with such ticket. A free allowance of not more than one hundred and fifty (150) pounds of sample and personal baggage will be granted any commercial traveller who is not a member of a recognized Canadian commercial travellers' association. Baggage must be checked only to destination (except where stop-over is allowed, or as per clause (b) of this rule), and via same route as passage ticket and must be weighed each time checked. Only one ticket will be honoured in checking any one lot of sample baggage except that when a commercial traveller is accompanied by an assistant who is solely in his employ, or that of the firm he represents, the authorized free allowance may be granted on each ticket.

(b) Commercial travellers presenting week-end tickets may have usual allowance of three hundred (300) pounds of sample baggage, and personal baggage checked free on going or return journey either to destination of ticket, or to an intermediate point, provided such point is on direct route of ticket.

(c) In consideration of special concessions granted to commercial travellers, the carrier will not be liable for any claim in respect of or consequent upon any loss of or damage or delay to any sample baggage or personal baggage transported for a commercial traveller as such whether the same is charged for as excess baggage or carried as free allowance.

#### LIMIT OF WEIGHT.

Rule 19.—No single piece of baggage or other article of any class weighing more than 250 pounds (except immigrant baggage, checked at port of landing) will be accepted for transportation in regular baggage service.

## EXCESS SIZE.

Rule 20.—(a) For any piece of baggage or other article transported in regular baggage service any dimension of which exceeds forty-five (45) inches, there will be a charge for each inch in excess of forty-five (45) inches for each such dimension equal to the charge for five (5) pounds of excess weight, measurements to include gable or dome-shaped ends or similar protuberances.

(b) Any piece of baggage or other article, the greatest dimension of which exceeds seventy-two (72) inches will not be transported in regular baggage service.

(c) Exceptions: This rule will not apply to the following:

- (1) Baby carriages.
- (2) Bicycles not in trunks.
- (3) Toboggans and skis.
- (4) Canoes.
- (5) Steamer and invalids' chairs.

- (9) Tent poles.
- (10) Trans-Pacific and Around-the-World baggage when checked between points in Canada.
- (11) Immigrant baggage checked at port of landing.

- (13) Public entertainment paraphernalia, except trunks containing wearing apparel for use on or off the stage.
- (14) Fishing rods, properly encased.

## EXCESS WEIGHT.

Rule 21.—(a) Baggage or any other articles specified in Rule 12 weighing more than the free allowance will be charged for in accordance with carrier's current tariff.

(b) Charges for excess weight should be prepaid.

## METHOD OF COMPUTING CHARGE FOR EXCESS WEIGHT, EXCESS SIZE AND MINIMUM CHARGE.

Rule 22.—Should a single lot of baggage be of excess weight or excess size, or both, the total charge will be computed by adding 5 pounds per inch of excess size to the number of pounds of excess weight and multiply the total number of pounds so computed by the excess baggage rate per hundred.

The following illustrates the method of computation:

(1) If a trunk is 47 inches long (and there is no excess weight the extra charge would be computed on the basis of 2 inches (10 pounds).

(2) If a trunk is 47 inches wide and 49 inches long (and there is no excess weight) the extra charge would be computed on basis of 6 inches (30 pounds), since two of the dimensions exceed 45 inches.

(3) If a trunk is 47 inches high, 48 inches wide and 49 inches long (and there is no excess weight), the extra charge would be computed on the basis of 9 inches (45 pounds), as in that case three of the dimensions exceed 45 inches.

(4) If a trunk is 47 inches high, 48 inches wide and 49 inches long and there is 100 pounds excess weight, the extra charge would be computed on the basis of 9 inches (45 pounds for excess dimension) and 100 pounds for excess weight, total 145 pounds.

The minimum collection for any shipment of excess baggage, either of excess weight or excess size or both, will be 25 cents.

No charge will be made for a fraction of an inch.

Charge for excess size must be made regardless of the number of tickets presented.

## STORAGE.

Rule 23.—(a) Storage will be charged in accordance with current tariff on each piece of baggage or other articles carried in regular baggage service, either inbound or outbound, checked, or not checked, remaining at stations or wharves over twenty-four hours.

Exceptions.—(1) Baggage and other articles will be held free when received at any hour Saturday and claimed before same hour Monday following, or when received at any hour Sunday and claimed before midnight Monday following. If not claimed within the time specified, storage will commence 24 hours after receipt of the baggage or other article. Dominion holidays will be treated same as Sundays. When a Dominion holiday falls on Saturday or Monday, or is observed on either of those days, the Sunday and the Dominion holiday combined will be treated the same as Sunday. No deduction will be made for Sundays or Dominion holidays after storage has begun.

(2) Sample baggage of commercial travellers holding current year's commercial travellers' transportation privilege certificates, arriving at stations in Canada after 1.00 p.m. Fridays, will be stored free of charge until midnight the Monday following.

(3) Storage charges will be waived on baggage belonging to Trans-Pacific and Around-the-World passengers while en route through Canada.

(b) On any such baggage or other articles delivered at stations or wharves under claim or identification checks which is reclaimed and not checked out, or for which valid transportation is not produced showing that the owner is a passenger, storage will be charged at rate as per current tariff, without any free time allowance.

(c) Such baggage or other articles in bond will be subject to storage charges when checked to and bonded on a station at which a customs officer is regularly on duty at train time. Such baggage and other articles in bond under other circumstances will not be subject to storage charges.

(d) After the expiration of 24 hours from the receipt of such baggage or articles in storage, the carrier shall be liable as a warehouseman only.

## LOST DUPLICATE CHECKS.

Rule 24.—If passenger loses a duplicate baggage or parcel room check and can identify himself or herself to the satisfaction of the carrier as the owner of such baggage or article, it will be delivered on payment of charge in accordance with current tariff for lost duplicate check and on signing a lost duplicate check receipt. On return of lost check to carrier making collection, amount collected will be refunded.

## IDENTIFICATION CLAIM CHECKS.

Rule 25.—All baggage or other articles delivered at stations or wharves and not immediately checked to destination should bear a claim check or the baggagemen must be requested to issue an identification claim check when the baggage or other articles are received, otherwise no responsibility will be assumed by the carriers for such baggage or other articles left on their premises.

## GENERAL RULES.

Rule 26.—(a) Any articles not specified in the foregoing rules shall not be carried in regular baggage service.

(b) Passengers should make memorandum of their baggage check numbers.

(c) In the case of baggage or other articles checked upon a through ticket at any point in Canada for conveyance to another point in Canada over any railway or railways subject to the legislative jurisdiction of the Parliament of Can-

(d) In case of non-delivery of baggage or other articles checked, notice must be given in writing to the carrier at destination within twenty (20) days after arrival of passenger thereat. In case of damage or delay to baggage or other articles checked, or loss of any of the contents from a receptacle, such notice must be given within twenty (20) days after delivery of such baggage, article or receptacle, otherwise the carrier shall not be liable.

(e) Baggage and other articles carried under these regulations from Canadian to United States points and vice versa, must be examined by customs officer, or they will be held at the border. Passengers should attend to this personally.

(f) When any baggage or article is checked to a flag station it must be claimed by presenting duplicate check to train conductor or baggage-man; otherwise baggage will be forwarded to first station beyond where an agent is on duty and must be claimed at that station.

(g) All baggage and articles left unclaimed in baggage rooms for twelve months, may be sold by public auction.

#### CIVIL SERVICE COMMISSION.

PUBLIC Notice is hereby given that a general examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Wednesday, the 10th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault St. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, Moncton, St. John, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to be examined at any one place.

It is to be understood that under present conditions, the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor on the other hand does it require graduate cadets to adopt a Naval career. Arrangements have, however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the College, provided these cadets have attained the required standard of efficiency. They will be entered in the Royal Navy as Cadets of the same standing as graduates of Dartmouth Naval College. Arrangements have also been completed with the Universities of McGill and Toronto, by which they will admit graduates of the Royal Naval College to the second year of the course of applied science in the above-mentioned Universities. Other Universities will doubtless be pleased to extend the same privilege.

The attention of the public is also invited to the general competitive examinations for positions in the Inside Service which will be held beginning on the 8th May, 1916. Successful competitors at these examinations are guaranteed permanent positions as clerks, stenographers and typewriters. An examination for positions in the lower grades of the Inside Service, and the regular Preliminary and Qualifying Examinations

for the Outside Service will also be held at the same time and places.

Full information respecting any of the above examinations, together with the necessary application forms, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms, duly filled in and accompanied by the prescribed examination fee, must be filed with the Civil Service Commission not later than the 15th April, 1916. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

# DÉCRET DE LA CROIX ROUGE ROYALE.

GEORGE R. ET I.

GEORGE CINQ, par la Grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes. A tous ceux qui les présentes verront,—SALUT :

Attendu que feu Sa Majesté Notre Bien-aimée Grand-mère la Reine Victoria par un décret daté du 23e jour d'avril 1883, institua, constitua et créa une décoration désignée "La Croix Rouge Royale" pour être conférée en reconnaissance de services spéciaux rendus en soignant les malades et les blessés de Notre armée et de Notre marine et décréta, ordonna et établit certaines règles et ordonnances pour sa régie, lesquelles règles et ordonnances furent subséquemment modifiées par décrets royaux datés les 11 décembre 1897, 24 juillet 1902 et 8 septembre 1909 ;

Et attendu que c'est Notre Volonté et Plaisir que de nouvelles stipulations soient faites pour la reconnaissance de tels services spéciaux rendus en soignant les malades et blessés de Notre armée et de Notre marine, |

En conséquence Nous déclarons par le présent que les règles et ordonnances jusqu'ici en force pour la régie de la dite décoration seront abrogées, annulées et il Nous plaît de faire, ordonner et établir, pour les remplacer, les règles et ordonnances suivantes, lesquelles seront désormais inviolablement observées et gardées.

Premièrement.—La décoration sera appelée et désignée "La Croix Rouge Royale" et sera divisée en deux classes.

La première classe consistera en une croix en émail rouge bordé d'or, ayant sur les bras les mots "Faith, Hope, Charity," avec la date de l'institution de la décoration, portant au centre en relief l'effigie Royale et Impériale. Au revers la Couronne et le chiffre Royal et Impérial figureront en relief au centre.

La seconde classe consistera en une croix de même forme et grandeur que celle de la première classe, mais sera en argent mat et portera, superposée, une croix de malte en émail rouge, n'excédant pas la moitié de ses dimensions ; au centre, en relief, l'effigie Royale et Impériale. Au revers seront inscrits sur les bras de la croix les mots "Faith, Hope, Charity," et la date de l'institution de la décoration originale et le centre portera en relief la Couronne et le chiffre Royal et Impérial.

Deuxièmement.—La Croix sera pour les deux classes attachée à un ruban bleu foncé, liséré de rouge, d'un pouce de large et portée sur l'épaule gauche attachée par un nœud.

Troisièmement.—La décoration peut être portée par la Reine régnante, la Reine consort, ou la Reine douairière du Royaume-Uni de la Grande-Bretagne et d'Irlande ; et Nous nous réservons à Nous, Nos héritiers et successeurs de conférer la Décoration à aucune des princesses de la Famille royale de la Grande-Bretagne et d'Irlande, ainsi qu'aux reines ou princesses des pays étrangers qui se seront spécialement employées à pourvoir aux soins des malades et des blessés des armées et marines étrangères.

Quatrièmement.—Nous nous réservons à Nous, Nos héritiers et successeurs plein pouvoir de conférer l'une ou l'autre classe de cette Décoration à tout membre des services hospitaliers sans restriction de rang, ou à toutes autres personnes, sujettes ou étrangères, remplissant des fonctions hospitalières qui pourront être signalées à Notre attention par Notre Secrétaire d'Etat pour la guerre ou par le Premier Lord de l'Amirauté, suivant le cas, pour le dévouement et les capacités spéciales qu'elles auront montrés dans leurs devoirs hospitaliers à Notre armée en campagne et dans Nos hôpitaux militaires et maritimes.

Cinquièmement.—Le nombre distribué dans la première classe de la Décoration n'excèdera pas deux pour cent du nombre total des hospitalières et le nombre distribué de la seconde classe de la Décoration n'excèdera pas cinq pour cent du nombre total des hospitalières, la répartition devant être proportionnée au personnel de chacun des services hospitaliers, pourvu néanmoins qu'il soit réservé à Nous, Nos héritiers et successeurs de faire telles additions, dans des circonstances exceptionnelles, que Nous jugerons appropriées.

Sixièmement.—Les titulaires de la seconde classe de la Décoration seront éligibles à la première classe quand des vacances se présenteront.

Septièmement.—Les titulaires de la première classe de la Décoration seront appelés Membres de la Croix Rouge Royale et auront droit aux lettres C.R.R. après leur nom. Les titulaires de la seconde classe de la Décoration seront appelés Associés de la Croix Rouge Royale et auront droit aux lettres A.C.R.R. après leur nom.

Huitièmement.—Nous nous réservons à Nous, Nos héritiers et successeurs, plein pouvoir de conférer l'une ou l'autre classe de la Décoration à toutes dames, qu'elles soient sujettes ou étrangères, qui pourront être recommandées à Notre Attention par Notre Secrétaire d'Etat pour la guerre, comme ayant volontairement assumé la charge d'établir, conduire ou d'aider dans les hôpitaux au traitement des soldats et marins malades et blessés de Notre armée et de Notre marine ou de Nos forces militaires indiennes ou des forces navales et militaires de nos colonies autonomes au delà des mers, ou comme ayant rendu des services importants en dedans ou en dehors des frontières avec la Croix Rouge ou autres sociétés semblables ou comme ayant rendu autrement d'éminents services en soignant des soldats et marins de Notre armée et de Notre marine, malades et blessés ; et il est maintenant ordonné que toutes les personnes nommées en vertu de cette clause seront considérées comme Membres Honoraires ou Associés et leurs nominations seront additionnelles à l'établissement ordonné par la clause cinq de Notre présent Décret Royal.

*Neuvièmement.*—Les noms de ceux auxquels il Nous plaira de conférer la Décoration seront publiés dans la *London Gazette* et leur inscription en sera gardée dans le Ministère de Notre Secrétaire d'Etat pour la guerre.

*Dixièmement.*—En vue de prendre telle mesure additionnelle pour conserver efficacement pure cette honorable distinction, il est ordonné que si une personne à laquelle telle distinction aura été conférée en devenait indigne par sa conduite, son nom sera rayé du registre de ceux à qui la dite Décoration aura été conférée par un ordre sous le seing manuel du Souverain. Et il est maintenant déclaré que Nous, Nos héritiers et successeurs seront les seuls juges de la conduite qui pourra nécessiter la radiation du nom de la personne coupable sur le registre et qu'en tout temps Nous nous réservons, à Nous, Nos héritiers et successeurs, d'y réinscrire le nom si telle réinscription est justifiée par les circonstances.

*Finalement.*—Nous nous réservons, à Nous, Nos héritiers et successeurs plein pouvoir d'annuler, altérer, abroger, augmenter, interpréter ou de Nous dispenser des présents règlements, ou de toute partie d'iceux par un avis sous le seing manuel du Souverain.

DONNÉ à Notre Château de Saint-James, ce dixième jour de novembre 1915, dans la sixième année de Notre règne.

Par ordre de Sa Majesté,

H. H. ASQUITH.

Jeudi, le 6e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

**A**TTENDU que les Révérends Pères Oblats ont demandé la concession gratuite d'un certain terrain situé à l'embouchure de la rivière Berens sur la rive est du lac Winnipeg dans la province de Manitoba ;

Et attendu que d'après la preuve soumise M. Joseph Boucher occupait ce terrain et y résidait à la date de la conclusion du traité indien n° 5 en septembre 1876 et pendant plusieurs années subséquentes, et que des cessions ont été enregistrées au Département de l'Intérieur du droit de M. Boucher à ce terrain au révérend M. Magnan et de ce dernier au présent requérant ;

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, d'autoriser par ces présentes la concession gratuite aux Révérends Pères Oblats du dit terrain, qui peut être décrit plus minutieusement comme suit :—

Commençant à un point sur la borne est de la réserve indienne de Berens n° 13 ainsi qu'arpenté par J. L. P. O'Hanly, arpenteur des terres fédérales, et indiqué sur un plan d'arpentage de la dite réserve déposé au Département de l'Intérieur sous le numéro 975, lequel point est éloigné de 90 chaînes mesurées dans la direction du sud le long de la dite borne est à partir de l'angle nord-est de la dite réserve ; de là vers l'ouest en suivant la borne sud de la dite réserve sur une distance de 84 chaînes plus ou moins jusqu'à la rive est du dit lac ; de là vers le sud en suivant la dite rive est jusqu'à un point éloigné de 20 chaînes perpendiculairement dans la direction du sud de la dite borne sud de la dite réserve ; de là vers l'est et parallèlement à la dite borne sud sur une distance de 72 chaînes, plus ou moins jusqu'à la borne ouest de la partie est de la dite réserve ; de là vers le nord en suivant la dite borne ouest sur une distance de 20 chaînes plus ou moins jusqu'au point de départ, le tout contenant 156 acres plus ou moins et coloré rose sur le plan ci-annexé.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

**A**U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 janvier 1916, représentant que la compagnie dite "Canadian Northern Alberta Railway Company, Limited," a demandé un permis d'occupation de certaines terres fédérales dans la province d'Alberta, soit une partie du lit de la rivière Athabaska, située dans la moitié nord de la section 1, township 51, rang 26, à l'ouest du 5e méridien, et décrite plus minutieusement ci-dessous, pour y construire et entretenir un pont de chemin de fer traversant la dite rivière.

Le Ministre ajoute :

Que par un arrêté en conseil daté le 30 août 1913 le Ministre des Travaux publics a été autorisé à approuver le plan du dit pont, subordonnement à certaines conditions, dont l'une était que la dite compagnie devait obtenir du Département de l'Intérieur le permis nécessaire d'occupation du lit de la dite rivière pour les fins mentionnées ;

Que par un arrêté en conseil du 29 octobre 1913 le Ministre de l'Intérieur a été autorisé à délivrer à la dite compagnie un permis d'occuper les dits terrains pour une période de dix ans, le permis étant renouvelable à certaines conditions ;

Que le dit permis d'occupation n'a pas été émis et que depuis qu'a été adopté le dernier arrêté en conseil le Département de l'Intérieur a eu pour coutume uniforme, dans les cas où il est nécessaire d'occuper le lit des rivières pour la construction de ponts de chemins de fer, de donner à ce permis la durée nécessaire pour l'entretien du pont en question en rapport avec l'exploitation du chemin de fer concerné ;

A ces causes, le Ministre demande l'autorisation de délivrer un permis d'occupation à la compagnie dite "Canadian Northern Alberta Railway Company, Limited," d'une partie du lit de la rivière Athabaska, décrite comme suit :

Le terrain formant partie du lit de la rivière Athabaska, situé dans la moitié nord de la section 1 du township 51, rang 26, à l'ouest du 5e méridien, dans la province d'Alberta, ainsi qu'indiqué sur un plan du dit township approuvé et confirmé par E. Devile, arpenteur général des terres fédérales, à Ottawa, le 23 décembre 1912, lequel terrain peut être décrit plus minutieusement comme suit :—

Borné à l'est et l'ouest par les rives droites et gauches, respectivement, de la rivière Athabaska ; au nord et au sud par des lignes parallèles à une ligne et son prolongement et éloignées de 100 pieds chaque côté de cette ligne, qui étant la ligne centrale du chemin de fer susdit, intersecte les dites rives et se prolonge dans une direction suivant un relèvement astronomique de 65 degrés sud et 25 minutes ouest par un point situé 1379.4 pieds, plus ou moins, nord, et 2130.8 pieds, plus ou moins, à l'ouest de l'angle sud-est du quart nord-est de la dite section 1 ; le dit terrain contient une superficie de 2.7 acres, plus ou moins, et est coloré rose sur le plan ci-annexé.

Le dit permis d'occupation sera pour telle période pendant laquelle le pont sera requis en rapport avec l'exploitation du chemin de fer ; le loyer annuel sera de \$1 par année ; le permis, quant à la construction et à l'entretien du pont est subordonné à la condition que la compagnie observera strictement les prescriptions de la *Loi de protection des eaux navigables*.

Le comité agréé ce qui précède et le soumet pour approbation.

Greffier du Conseil privé.

Jeudi, le 6e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que des arrêtés en conseil datés le 17 octobre 1914 et le 19 juin 1915, concernant les terres fédérales dans la zone des chemins de fer de la Colombie-Britannique, stipulant que le temps durant lequel un inscrit est engagé en service militaire actif, lorsqu'il s'est enrôlé dans un corps militaire du Canada, de la Grande-Bretagne ou des alliés de la Grande-Bretagne dans la présente guerre, peut être compté comme période de résidence sur son homestead, et que de plus la patente de son terrain peut être délivrée à ce colon s'il est devenu invalide, ou à ses représentants légaux en cas de mort ;

Et attendu que ces dispositions ne s'appliquent qu'aux personnes qui se sont inscrites pour des terres fédérales dans la zone des chemins de fer avant leur enrôlement, ou, dans le cas de réservistes, antérieurement à la date de leur rappel au service militaire actif, et que conséquemment toute personne qui s'est inscrite après son enrôlement ou après la date de son rappel au service actif tombe sous le coup des dispositions de l'article 21 des règlements régissant l'arpentage, l'administration, la concession et la vente des terres fédérales dans la zone de quarante milles de la province de la Colombie-Britannique, lesquels règlements prescrivent que toute inscription qui n'est pas parfaite dans les douze mois de cette date sera annulée ;

Et attendu qu'il est considéré que bien qu'il puisse ne pas être de l'intérêt public d'appliquer les dispositions des dits arrêtés en conseil du 17 octobre 1914 et du 19 juin 1915 aux colons qui se sont inscrits après leur enrôlement ou après la date de leur rappel sous les armes, il ne serait pas opportun de permettre que les inscriptions de ces colons soient annulées durant leur absence en service militaire actif,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes le Ministre de l'Intérieur à protéger l'inscription dans les limites de la dite zone des chemins de fer de toute personne qui, étant membre d'un corps militaire servant comme susdit avec les forces de la Grande-Bretagne ou d'un de ses alliés durant la présente guerre Européenne, et qui a obtenu son inscription après son enrôlement, ou après la date de son rappel au service actif, cette protection devant se continuer tant que durera ce service et pour une période n'excédant pas trois mois après que cette personne a été congédiée du corps militaire dans lequel elle servait.

ATTENDU que l'article 22 des règlements pour l'administration des réserves forestières fédérales, approuvés par un arrêté en conseil du 8 août 1913, stipule que la demande d'un permis de couper le bois gratuitement concédé à un colon doit être faite dans les cinq ans de la date de l'inscription de homestead ;

Et attendu que des représentations ont été faites au Ministère de l'Intérieur que l'application de cette stipulation pouvait nuire à quelques-uns des colons des districts voisins des réserves forestières dans la Saskatchewan-Nord ;

Et attendu qu'une enquête à ce sujet révèle qu'à causes des conditions climatériques et autres dans certaines des régions du nord, nombre de colons n'ont pu développer leur homestead aussi rapidement que d'autres plus favorablement situés, et qu'en conséquence ils souffriront probablement de l'application des dispositions de l'article ci-dessus nommé,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil afin de permettre à ces colons d'obtenir la concession gratuite de leur bois et de leur donner un avis suffisant du délai de cinq ans— de décréter par ces présentes que le délai soit prolongé de cinq à huit ans dans les réserves forestières de Porcupine, Pasquia, Fort-à-la-Corne, Sturgeon et Big River, dans la Saskatchewan, et la réserve de Lesser Slave, dans l'Alberta, cette extension du délai devant durer jusqu'au 1er jour de mai 1918.

ATTENDU que les Commissaires du district scolaire n° 3028 de la province de la Saskatchewan ont demandé la permission d'acheter quatre ac. es de terrain, sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, pour l'emplacement d'une école, et aussi d'acquérir une lisière de terrain de trente-trois pieds de large sur la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin, ainsi qu'indiqué sur le tracé ci-joint, pour un chemin qui donnera accès au terrain de l'école ;

Et attendu qu'en vertu des dispositions de la *Loi des terres fédérales* le Ministre de l'Intérieur peut vendre par vente privée aux commissions scolaires le terrain requis pour des emplacements d'école dans les sections scolaires ou pour des fins qui s'y rapportent, pourvu que la demande des commissaires soit approuvée par le Ministre ou le sous-ministre de l'Education de la province où le terrain est situé ;

Et attendu que dans le cas présent la demande des commissaires a été dûment approuvée par le sous-ministre de l'Education de la province de la Saskatchewan et que le terrain requis pour l'emplacement de l'école, comprenant quatre acres, a été en conséquence vendu à la commission scolaire conformément aux dispositions de la *Loi des terres fédérales* ;

Et attendu que la *Loi des terres fédérales*, ne contient aucune disposition concernant la vente, dans les sections scolaires, de terrains requis pour des chemins et que les commissaires ont été avisés que tout ce qui pouvait être fait était de réserver par arrêté en conseil la lisière de terrain de trente-trois pieds de large requise pour un chemin public le long de la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section ;

Et attendu que la *Loi des terres fédérales* prescrit aussi que tous les terrains vendus aux commissions scolaires pour emplacements d'école doivent être adjacents à une réserve de chemin, et qu'il est nécessaire, par conséquent, d'ouvrir un chemin pour donner accès à ce terrain,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes la mise en réserve, durant le bon plaisir du Gouverneur général en conseil, d'une lisière de terrain d'une demi-chaîne de large sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, située entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section, ainsi qu'indiqué sur le tracé ci-joint, afin de donner accès au terrain de l'école.

ATTENDU que par un arrêté en conseil daté le 26 août 1908 certains règlements ont été adoptés au sujet de la concession de homesteads par procuration sur les terres fédérales ;

Et attendu que ces règlements stipulaient que l'inscrit au nom duquel avait été faite cette inscription par procuration devait se présenter personnellement à l'agent des terres fédérales dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il y résiderait avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci devait annuler l'inscription sans avis, à l'expiration de six mois de la date de l'inscription,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements concernant les inscriptions de homestead par procuration, établis par le dit arrêté en conseil du 26 août 1908, soient par ces présentes modifiés comme suit :—

Nonobstant toute stipulation de l'arrêté en conseil du 26 août 1908, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 8 mai, du 20 septembre et du 9 décembre 1915, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministère de l'Intérieur, daté le 30 décembre 1915, représentant que M. Raoul P. Précourt a obtenu l'inscription de homestead pour le quart sud-est de la section 21, township 26, rang 12, à l'ouest du méridien principal, le 23 mai 1911 :

M. Précourt s'est acquitté de l'obligation de résidence durant deux des périodes prescrites ; il a rempli les conditions de culture et a fait des améliorations sur le terrain consistant en une maison, une étable, un grenier, des clôtures et une forge ;

Le Ministre soumet copie d'un certificat médical du docteur H. M. Murdoff déclarant que M. Précourt ne peut compléter ses obligations de résidence, —

Par conséquent, le ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales* M. Précourt soit exempté de toute autre obligation de résidence en rapport avec son homestead, soit le quart sud-est de la section 21, township 26, rang 12, à l'ouest du méridien principal, afin que la patente gratuite de son homestead lui soit délivrée dès qu'il aura prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

[3057]  
HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 6e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que dans l'administration au Canada du corps expéditionnaire canadien d'outre-mer ont surgi de graves difficultés et de nombreuses inexécutions de justice du fait que dans maints cas les absents de ce corps ne se sont pas rendus ou n'ont pas été appréhendés avant que leurs effectifs respectifs s'embarquent pour le service d'outre-mer, —

Et attendu que les témoins pouvant attester l'absence, etc., sont aussi partis, il est difficile, sinon impossible, d'établir une preuve suffisante pour assurer la condamnation du délinquant en cour martiale.

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre*, afin d'assurer un moyen plus facile et plus expéditif de punir les délinquants, d'établir par ces présentes les ordres et règlements suivants, savoir :—

1. Tout homme de la milice active du Canada, qui, sans la permission de son officier commandant, s'absente de son corps tandis qu'il est en service actif, et tout soldat du corps expéditionnaire canadien d'outre-mer qui s'absente de son effectif sans la permission de son officier commandant est coupable d'infraction d'après les dispositions du code criminel, et sur conviction sommaire sous l'empire des dispositions de la partie 15 de ce code est passible d'emprisonnement, avec ou sans travaux forcés, pour une période n'excédant pas deux ans.

2. La production d'une attestation signée par l'accusé et certifiée par un juge de paix ou par un officier désigné au commandement d'un bataillon ou d'un corps semblable des forces expéditionnaires canadiennes d'outre-mer, et étant l'engagement par l'accusé de servir dans le corps ou l'effectif dont il est accusé d'être absent, sera preuve suffisante que le dit accusé était dûment enrôlé dans ce corps ou effectif ; et le fait qu'il sera démontré que l'accusé était en Canada lorsqu'il s'est livré ou a été appréhendé et une déclaration écrite de l'adjudant général de la milice ou de son assistant que l'effectif dans lequel l'accusé était placé ou auquel il

appartenait est parti du Canada pour le service d'outre-mer, sera preuve *prima facie* que l'accusé s'est absenté sans congé de ce corps ou effectif et sera suffisant pour imposer à l'accusé l'obligation de prouver que son absence de ce corps ou effectif n'était pas illégale.

3. Rien d'ici contenu ne limitera ou n'affectera de manière quelconque le pouvoir des autorités militaires de poursuivre et de punir conformément aux règles de la loi militaire un absent sans congé ; mais un accusé ne peut être cité devant un tribunal militaire et une cour civile, mais il peut l'être devant l'un ou l'autre selon qu'il pourra être prescrit.

4. La solde et les allocations militaires de chacun qui aura été trouvé coupable d'absence, sans congé, de son corps ou de l'effectif auquel il appartient peuvent être confisquées pour compenser toute perte ou destruction ou tout dommage qu'il a causés ou a permis d'être causés à des armes, munitions, équipements, uniformes, instruments ou outillage régimentaires lorsque le Ministre de la Milice et de la Défense lui aura ordonné d'en payer la valeur.

#### MINISTÈRE DES POSTES, CANADA.

OTTAWA, 22 janvier 1916.

**A**VIS est donné par le présent qu'en vertu des pouvoirs conférés au Directeur Général des Postes par arrêté en conseil n° 94 sanctionné le 6e jour de novembre 1914, par et en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre, 1914*, le privilège des malles du Canada, à compter de la présente date, est refusé au journal hebdomadaire "Ghadr" (Mutiny) ou "Hindustan Ghadr" publié en dialectes hindous par la société dite "The Yuganter Ashram Society," San-Francisco, Californie, E.-U. d'A., et sa circulation en Canada est prohibée de toute manière. D'après la teneur de l'arrêté en conseil mentionné plus haut il ne sera ensuite permis à personne en Canada d'avoir en sa possession tout tel journal ou un exemplaire quelconque de ce journal déjà publié ou qui sera ensuite publié, et de plus à l'effet que toute personne ayant en sa possession tout tel journal sera passible d'une amende n'excédant pas \$5,000.00 ou d'emprisonnement pour une période n'excédant pas cinq ans, ou de l'amende et de l'emprisonnement. 31-2

#### COMMISSION D'EXAMEN POUR LA PROFESSION D'ARPENTEUR FÉDÉRAL.

**A**VIS est donné par le présent qu'en conformité des dispositions de la *Loi des arpentages fédéraux*, la Commission d'examen pour la profession d'arpenteur fédéral se réunira à Ottawa, lundi, le quatorzième jour de février prochain, pour l'examen des aspirants à l'étude de la profession d'arpenteur fédéral, ou des certificats d'arpenteurs fédéraux, ou des certificats d'arpenteurs topographiques, à Ottawa, Toronto et Kingston, dans la province d'Ontario ; à Montréal, dans la province de Québec ; à Winnipeg, dans la province de Manitoba ; à Edmonton et Calgary, dans la province d'Alberta, et à Dawson, dans le Territoire du Yukon.

## COMMISSION DU SERVICE CIVIL.

**A**VIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 10 mai 1916, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédérickton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus à commencer le 8 mai 1916. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 15 avril 1916. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,  
Secrétaire.

Ottawa, 12 janvier 1916.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième .....     | 100 00    |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidécommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

deux au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

### Avis de bills primes.

#### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

## AVIS DIVERS.

## THE NORTHERN CROWN BANK.

*Avis et Règlement.*

RÈGLEMENT pour réduire le capital-actions de la banque dite "Northern Crown Bank."

**A**TTENDU que le capital-actions payé de la Northern Crown Bank s'élève à la somme de \$2,859,272.32 ; Et attendu que de cette somme celle de \$2,853,300 a été payée en considération de 28,533 actions qui ont été souscrites et émises comme entièrement payées, et que la balance de \$5,972.32 a été payée en considération de 91 actions souscrites mais non émises, et qu'il reste dû payable à la dite banque en considération d'icelles pour appels et versements la somme de \$3,127.68 ;

Et attendu qu'il est désirable de pourvoir à un fonds pour dépenses casuelles et à un fonds de réserve suffisant comme protection contre une dépréciation des placements, des immeubles et meubles meublants de la banque, se précautionner contre tous comptes mauvais, douteux et en souffrance, et pourvoir au paiement des dividendes ;

Et attendu qu'il est désirable pour ces fins et en vue de permettre à la banque de continuer utilement ses affaires et de réaliser pour ses actionnaires les plus grands bénéfices possible, de réduire le capital-actions de la banque dite "Northern Crown Bank" comme il est pourvu ci-après,—

*En conséquence les actionnaires de la banque dite "Northern Crown Bank," maintenant réunis en assemblée générale annuelle, décrètent ce qui suit :—*

(1) Le capital-actions souscrit de la banque dite "Northern Crown Bank" est par le présent réduit à \$1,431,200 divisé en 14,132 actions d'une valeur au pair de \$100 chacune, en réduisant le nombre actuel des actions souscrites de la Banque comme suit, savoir :— Pour et au lieu de chaque deux actions détenues par les actionnaires inscrits le 18e jour de janvier A.D. 1916, une action de \$100 chacune, sera livrée à tel actionnaire.

(3) Dans chaque cas où un actionnaire détiendra un nombre tel des actions actuelles n'étant pas divisible en nouvelles actions sans laisser un résidu, et toutes les fois que tel actionnaire sera incapable de faire des arrangements avec un autre actionnaire par achat, vente ou autrement, selon le cas, afin qu'il puisse détenir un nombre d'actions pouvant être divisé sans laisser de résidu, alors tel actionnaire et un nombre d'autres actionnaires dans la même position pourront remettre à la Banque les actions restantes ou indivisibles qu'ils détiennent entre eux et en conséquence, du stock nouveau sera remis en retour d'icelles, à eux, ou à aucun d'eux, conjointement, afin qu'ils puissent en disposer en

commun pour leur bénéfice ; et si le 30ième jour de décembre 1916, aucun tel résidu ou actions indivisibles restent sans avoir été converties la Banque, par ses directeurs, aura le droit de les rappeler et d'émettre de nouvelles actions en leur place dans la proportion mentionnée ci-dessus et de faire vendre telles nouvelles actions de la manière que les directeurs de la Banque jugeront comme devant produire la plus grande recette et distribueront après le produit net de telle vente parmi les actionnaires y ayant droit sur la remise par tels actionnaires, respectivement, d'une décharge appropriée.

(4) Rien de contenu dans le présent ou fait ci-après ne pourra en aucune manière affecter ou diminuer la présente responsabilité des détenteurs d'actions impayées ou non complètement payées, d'acquitter le plein montant de telles actions au montant nominal actuel.

(5) Rien de contenu dans les présentes ne sera interprété comme diminuant ou variant la responsabilité des actionnaires de la banque dite "Northern Crown Bank," envers ses créanciers actuels.

Ce règlement deviendra applicable, exécutoire et en vigueur après qu'un certificat l'approuvant aura été émis par le Conseil de la Trésorerie, en conformité de la *Loi des Banques*.

# THE ROYAL RED CROSS WARRANT.

GEORGE R. I.

GEORGE THE FIFTH by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India. To all whom these Presents shall come Greeting :—

Whereas Her late Majesty Our Beloved Grandmother Queen Victoria by a Warrant dated the 23rd day of April, 1883, did institute, constitute and create a Decoration designated "The Royal Red Cross" to be awarded in recognition of special services rendered in nursing the sick and wounded of Our Army and Navy and did make, ordain and establish certain rules and ordinances for the government of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 11th day of December, 1897, the 24th day of July, 1902, and the 8th day of September, 1909 ;

And whereas it is Our Royal Will and Pleasure that further provision shall be made for the recognition of such special services rendered in nursing the sick and wounded of Our Army and Navy,—

Now therefore We do hereby declare that the rules and ordinances heretofore in force for the government of the said Decoration shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept :—

Firstly.—The Decoration shall be styled and designated "The Royal Red Cross," and shall be divided into two Classes.

The First Class shall consist of a Cross, enamelled red, edged with gold, having on the arms thereof the words Faith, Hope, Charity, with the date of the institution of the Decoration ; the centre having thereon in relief the Royal and Imperial Effigy. On the reverse thereof the Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

The Second Class shall consist of a Cross which shall be of the same form and size as in the First Class, but shall be of frosted silver and shall have superimposed thereon a Maltese Cross enamelled red not exceeding half its dimensions, the centre having thereon in relief the Royal and Imperial Effigy. The reverse shall have inscribed on the arms thereof the words Faith, Hope, Charity, and the date of institution of the original Decoration, and shall bear in the centre in relief the Royal and Imperial Cipher and Crown.

Secondly.—The Cross in either Class shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland ; and it shall be competent for Us, Our Heirs and Successors, to confer the Decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland ; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves

in providing for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of this Decoration upon any members of the Nursing Services without restriction as to rank, or upon other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War or by the First Lord of the Admiralty, as the case may be, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Fifthly.—The number of awards in the First Class of the Decoration shall not exceed two per cent of the total establishment of Nurses, and the number of awards in the Second Class of the Decoration shall not exceed five per cent of the total establishment of Nurses, the allotments to be proportionate to the numbers of each Nursing Service provided nevertheless that it shall be competent for Us, Our Heirs and Successors, to make such additions as, under exceptional circumstances, We may deem fitting.

Sixthly.—Recipients of the Second Class of the Decoration shall be eligible for advancement to the First Class as vacancies may arise.

Seventhly.—Recipients of the First Class of the Decoration shall be designated Members of the Royal Red Cross, and shall be entitled to the letters R.R.C. following their names. Recipients of the Second Class of the Decoration shall be designated Associates of the Royal Red Cross, and shall be entitled to the letters A.R.R.C. following their names.

Eighthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of the Decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War as having voluntarily undertaken the duties of establishing, conducting or assisting in hospitals for the treatment of sick and wounded soldiers and sailors of Our Army and Navy, or of Our Indian Military Forces or of the Naval and Military Forces of Our Self-governing Dominions beyond the Seas, or as having performed valuable services with the Red Cross or kindred societies at home or abroad, or as having otherwise rendered eminent services in the care of sick and wounded soldiers and sailors of Our Army and Navy ; and it is hereby ordained that all persons appointed under this Clause shall be regarded as Honorary Members or Associates, and their appointments shall be additional to the establishment ordained in the Fifth Clause of this Our Royal Warrant.

Ninthly.—The names of those upon whom We may be pleased to confer the Decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Tenthly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under the Royal Sign Manual, from the register of those upon whom the said Decoration shall have been conferred. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Lastly.—We reserve to Ourselves, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Royal Sign Manual.

Given at Our Court at *St. James's*, this Tenth day of *November*, 1915, in the Sixth year of Our Reign.

By His Majesty's Command,

H. H. ASQUITH.

## ORDERS IN COUNCIL.

[234]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 31st January, 1916, from the Minister of the Interior, submitting that under the provisions of the Order in Council, dated the 28th January, 1915, Trooper Lorne Mulloy, now Professor Mulloy of Kingston, Ontario, to whom South African Volunteer Bounty Land Certificate No. 6003 was issued in connection with his services in South Africa, was authorized upon returning to the Department the certificate in question or filing a bond of indemnity in the event of his not being able to produce the certificate, with satisfactory proof that no assignment of the certificate had been made to select during the year 1915 two adjacent quarter-sections of available Dominion Lands open to homestead entry which would be sold to him at the rate of \$1 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, from which he had derived no benefit, being unable, on account of injuries received while on active service during the South African campaign which resulted in total blindness, to comply with the conditions as to residence and cultivation required in connection with the location of such certificates.

Mr. Mulloy, who filed the necessary documents respecting the loss of the certificate together with a bond of indemnity, failed to select the land he desires to purchase within the time specified and has applied for an extension thereof.

The Minister, being of the opinion that such application should receive favourable consideration, recommends that Mr. Mulloy, whose full name is Lorne W. R. Mulloy, be allowed to select two adjoining quarter-sections of available Dominion Lands open to homestead entry in the Provinces of Manitoba, Alberta or Saskatchewan and that upon his notifying the Department of the Interior of such selection during the present year, 1916, a sale of the land so selected be made to him at the rate of \$1.00 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, above referred to.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR

WHEREAS application has been made by Mr. William Flett of Fort Vermilion, in the Province of Alberta, for a grant of those portions of the N.W.  $\frac{1}{4}$  of Section 13, and S.W.  $\frac{1}{4}$  of Section 24, Township 108, Range 14, west of the Fifth Meridian, in the said Province of Alberta, lying south of Peace River, and containing a total area of 139.6 acres, by virtue of occupation of the land at the date of the extinguishment of the Indian title.

And whereas evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No. 8 in the summer of 1899 ;

Therefore His Royal Highness the Governor General in Council is pleased, under the provisions of section 76 of the Dominion Lands Act, to authorize a free grant to Mr. William Flett of Fort Vermilion, in the

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order that the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia shall be and the same are hereby amended as follows :—

Sub-sections "a" and "b" of Section 19 of Order in Council of the 17th September, 1889, are hereby rescinded and the following provisions substituted therefor :

(a) Application for homestead entry by proxy may be made by a person applying on behalf of a husband, father, mother, son, daughter, brother or sister, when duly authorized to do so in the form prescribed. In such case the proxy shall appear in person before the agent of Dominion Lands for the District in which the land applied for is situated. Application for entry by proxy shall not be accepted by a sub-agent. The homesteader on whose behalf such entry is made must, before the expiration of six months from the date of the entry, appear personally before the agent for the District (not a sub-agent) and satisfy him by declaration so provided that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry. No extension of time within which to commence residence duties shall be granted in connection with a proxy entry. The provisions of this paragraph shall be retro-active so as to apply to the case of any entry made by proxy before the coming into force of this order.

(b) Notwithstanding anything contained in the above provisions, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her Allies during the present European War, secures entry for a homestead on Dominion lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy ; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Orders in Council of the 17th October, 1914, 19th June, 1915 and 6th January, 1916, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the agent of Dominion Lands for the district in which the land is situated of the fact of his being so engaged, in ample time to enable the agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance.

In any case where cancellation has already been carried out the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 25th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 14th of January, 1916, from the Minister of the Interior, submitting that the Canadian Northern Alberta Railway Company, Limited, has applied for a licence to occupy certain Dominion lands in the Province of Alberta, being a portion of the bed of the Athabaska river situated in the North half of section 1, township 51, range 26, west of the 5th meridian, and more particularly hereinafter described for the purpose of constructing and maintaining thereon a railway bridge across the said river.

The Minister states :—

That by an Order in Council dated 30th day of August, 1913, the Minister of Public Works was authorized to approve the plan of the said bridge subject to certain conditions, one of which was that the said Company should procure from the Department of the Interior the requisite license to occupy the said river bed lands for the purpose stated :

That by an Order in Council dated 29th day of October, 1913, the Minister of Interior was authorized to issue in favour of the said Company a license to occupy the said lands for a term of ten years, renewable under certain conditions :

That the said license of occupation has not been issued and that since the last mentioned Order in Council was passed the Department of the Interior has adopted a uniform policy in cases where river bed lands are required for railway bridge purposes, namely, to make any such license effective for such term as may be required for the purpose of maintaining the bridge in question in connection with the operation of the particular railway concerned .

The Minister, therefore, recommends that he be authorized to issue a license of occupation in favour of the Canadian Northern Alberta Railway Company, Limited, for that portion of the bed of the Athabaska river described as follows :—

That certain parcel or tract of land, being a part of the bed of the Athabaska river, situate in the north half of section one in the fifty-first Township, in the twenty-sixth Range, west of the Fifth Meridian, in the Province of Alberta, as the said section one is shown on a plan of the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands at Ottawa, on the twenty-third day of December, one thousand nine hundred and twelve, which said parcel may be more particularly described as follows :—

Bounded on the east and west by the right and left banks respectively of the Athabaska river ; and on the north and south by lines parallel to and one hundred feet perpendicularly distant on each side from a line and the production thereof, which line being the centre line of the Canadian Northern Alberta Railway intersects the said banks and runs on an astronomical bearing of south sixty-five degrees and twenty-five minutes west through a point situate one thousand three hundred and seventy-nine feet and four-tenths of a foot, more or less, north, and two thousand one hundred and thirty feet and eight-tenths of a foot, more or less, west of the southeast corner of the northeast quarter of the said section one ; the said parcel containing an area of two acres and seven-tenths of an acre, more or less, and shown coloured pink on the sketch hereto attached.

The said license of occupation to be for such length of time as the bridge may be required in connection with the operation of the railway at an annual rental of \$1.00 per annum ; and to be subject in respect of the construction and maintenance of the said bridge, to full compliance by the Company with the provisions of the Navigable Waters Protection Act.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Wednesday, the 12th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS by Order in Council dated 26th August, 1908, certain regulations were adopted for granting homestead entry on Dominion Lands by proxy ;

And whereas such regulations provided that the homesteader on whose behalf such proxy entry is made, must appear personally before the Agent of Dominion Lands within six months from the date of entry and furnish a satisfactory declaration that he is already in residence or will be in residence before the six months expire.\* Should he fail to appear, the agent is required to cancel the entry without notice at the expiration of six months from date of entry,—

Therefore His Royal Highness the Governor General in Council is pleasee to order that the regulations with regard to proxy homestead entries, established by the said Order in Council of the 26th August, 1908, shall be and the same are hereby amended as follows :—

Notwithstanding anything contained in the Order in Council of the 26th August, 1908, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her allies during the present European War, secures entry for a homestead on Dominion Lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Order in Council of the 8th May, 20th September and 9th December, 1915, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the Agent of Dominion Lands for the District in which the land is situated of the fact of his being so engaged, in ample time to enable the Agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance, in accordance with the provisions of the Order in Council of the 26th August, 1908.

In any case where cancellation has already been carried out in pursuance of the provisions of the Order in Council last mentioned, the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 6th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS much difficulty in the administration of the Canadian Overseas Expeditionary Force in Canada and numerous failures of justice have arisen through the fact that in very many cases absentees from that Force do not give themselves up or are not apprehended until after their respective Units have embarked for Overseas Service ;

And whereas then, the witnesses to the attestation, absence, etc., having also gone, it is difficult, if not impossible, to produce evidence sufficient to secure the offender's conviction by Court Martial,--

Therefore His Royal Highness the Governor General in Council, under and in virtue of the authority of section 6 of The War Measures Act, and with the view of providing a more easy and ready means of bringing offenders to punishment, is pleased to make and doth hereby make the following Orders and Regulations, namely :--

1. Every man of the Active Militia of Canada who, without the leave of his Commanding Officer, absents himself from his corps while it is on active service, and every soldier of the Canadian Overseas Expeditionary Force who absents himself from his unit, without the leave of his Commanding Officer, is guilty of an offence under the Criminal Code, and on summary conviction under the provisions of part 15 of that Code is liable to imprisonment, with or without hard labour, for a term not exceeding two years.

2. Production of an attestation paper purporting to be signed by the accused and attested by a Justice of the Peace or by an Officer appointed to command a battalion or other similar unit of the Canadian Overseas Expeditionary Force, and purporting to be an engagement by the accused to serve in the corps or the unit from which he is charged with being absent, shall be sufficient proof that the accused was duly enlisted into such corps or unit ; and evidence that the accused was in Canada at the time of his surrender or apprehension and a written statement purporting to be signed by the Adjutant-General of Militia or by an Assistant Adjutant-General that the unit to which the accused was posted or belonged has departed from Canada for overseas service shall be *prima facie* proof that the accused is an absentee without leave from such corps or unit, and shall be sufficient to cast upon the accused the onus of proving that his absence from the corps or unit was not illegal.

3. Nothing herein shall in any way limit or affect the power of the Military Authorities to proceed against and punish an absentee without leave according to the rules of military law ; but an accused person shall not be liable to be tried both by a Military Tribunal and by a Civil Court, but may be tried by either of them as may be prescribed.

4. The Military Pay and Allowances of every one who has been convicted of absence without leave from his corps or from the unit to which he belongs shall be held liable to be stopped to make good any loss or damage or destruction done or permitted by him to any arms, ammunition, equipment, clothing, instruments or regimental necessities the value of which the Minister of Militia and Defence has directed him to pay.

32-2

[125]  
AT THE GOVERNMENT HOUSE AT OTTAWA  
Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS application was made by the Trustees of the Portreeve School District No. 3028 of the Province of Saskatchewan for permission to acquire four acres of land on the north boundary of the northeast quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, for the purpose of a school site, and also to acquire a strip of land thirty-three feet in width on the north boundary of the quarter section between the school site and the regular road allowance, as shown on the tracing herewith, for the purposes of a road to give access to the school site ;

And whereas, under the provisions of The Dominion Lands Act, the Minister of the Interior has power to sell by private sale to Boards of Trustees the land required in school sections for school sites, or for purposes properly connected therewith, provided the application of the Trustees is endorsed by the Minister or Deputy Minister of Education for the Province in which the land is situated ;

And whereas, in the present instance, the application of the Trustees was duly endorsed by the Deputy Minister of Education for the Province of Saskatchewan, and the land required for the school site, comprising four acres, was accordingly sold to the Board of Trustees, in accordance with the provisions of The Dominion Lands Act ;

And whereas there is no provision in The Dominion Lands Act for the sale of land in school sections required for roads and the Trustees were, therefore, informed that the only thing that could be done would be to reserve by Order in Council the strip of land thirty-three feet in width required for a public road adjoining the north boundary of the quarter-section between the school site and the road allowance on the east boundary of the section ;

And whereas The Dominion Lands Act also provides that all parcels of land sold to School Boards for the purposes of the school sites must adjoin a road allowance and it is necessary, therefore, to provide a road to give access to this parcel,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the reservation, during the pleasure of the Governor General in Council, of a strip of land one-half chain in width on the north boundary of the northeast quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, lying between the school site and the regular road allowance on the east boundary of the said section, as shown on tracing herewith, so as to give access to the school site.

RODOLPHE BOUDREAU,  
31-4 Clerk of the Privy Council.

[124]  
AT THE GOVERNMENT HOUSE AT OTTAWA.  
Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS application has been made on behalf of the Village of Walsh, in the province of Alberta, for a grant for cemetery purposes of one acre of land comprised in the southwest corner of the S.W. ¼ of Section 34, Township 11, Range 1, west of the Fourth Meridian, in the said Province of Alberta ;

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration and the land in question is available according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council, under the provisions of section 76 of The Dominion Lands Act, is pleased to set apart and appropriate the said land for cemetery purposes and to authorize a grant thereof to the village of Walsh, in the Province of Alberta, for the said purpose.

RODOLPHE BOUDREAU,  
31-4 Clerk of the Privy Council.

[97]  
AT THE GOVERNMENT HOUSE AT OTTAWA.  
Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS section 22 of the Regulations governing the Dominion Forest Reserves, approved by Order in Council of the 8th August, 1913, provides that application for a permit to cut the free allowance of timber granted to a homesteader must be made within five years from the date of homestead entry ;

And whereas representations have been made to the Department of the Interior that the operation of this provision may occasion hardship to some of the settlers in districts adjacent to some of the forest reserves in Northern Saskatchewan ;

And whereas an enquiry into the matter shows that on account of climatic and other conditions in some of the northern regions many homesteaders have not been able to develop their homesteads as rapidly as others more favourably situated, and in consequence some hardship is likely to be caused at the present time by the enforcement of the provisions referred to,—

Therefore His Royal Highness the Governor General in Council, in order to enable such homesteaders to obtain the free allowance of timber, and to give adequate notice of the establishment of the limit of five years, is pleased to order and doth hereby order that the limitation period be extended from five to eight years on the Porcupine, Pasquia, Fort a la Corne, Sturgeon and Big River Forest Reserves in Saskatchewan, and the Lesser Slave Forest Reserve in Alberta ; such extension of time to remain in force until the 1st day of May, 1918.

RODOLPHE BOUDREAU,  
31-4 Clerk of the Privy Council.

[173]

And whereas the said commissioners have complied with the requirements of Section 13 of Chapter 71 of the Act 3 Edward the Seventh, providing for the filing of a plan of the railway in the Land Titles Office for the District in which the land is situate, and the land in question is available for the purpose.

Where passengers, however, are returning to original starting point in the United States or Canada, only the presentation of railroad ticket from port of entry to destination (stamped "Around-the-World") will be required.

(c) On Trans-Pacific tickets (i.e., tickets reading to or from Trans-Pacific points and stamped "Trans-Pacific") subject to limitations shown in Rule 19, there will be checked without charge three hundred and fifty (350) pounds of baggage, not exceeding one hundred dollars (\$100.00) in value, for each adult passenger, and one hundred and seventy-five (175) pounds, not exceeding fifty dollars (\$50.00) in value, for each child travelling on a half ticket.

A free allowance of not more than one hundred and fifty (150) pounds of sample and personal baggage will be granted any commercial traveller who is not a member of a recognized Canadian commercial travellers' association. Baggage must be checked only to destination (except where stop-over is allowed, or as per clause (b) of this rule), and via same route as passage ticket and must be weighed each time checked. Only one ticket will be honoured in checking any one lot of sample baggage except that when a commercial traveller is accompanied by an assistant who is solely in his employ, or that of the firm he represents, the authorized free allowance may be granted on each ticket.

(b) Commercial travellers presenting week-end tickets may have usual allowance of three hundred (300) pounds of sample baggage, and personal baggage checked free on going or return journey either to destination of ticket, or to an intermediate point, provided such point is on direct route of ticket.

#### LIMIT OF WEIGHT.

Rule 19.—No single piece of baggage or other article of any class weighing more than 250 pounds (except immigrant baggage, checked at port of landing) will be accepted for transportation in regular baggage service.

Rule 20.—(a) For any piece of baggage or other article transported in regular baggage service any dimension of which exceeds forty-five (45) inches, there will be a charge for each inch in excess of forty-five (45) inches for each such dimension equal to the charge for five (5) pounds of excess weight, measurements to include gable or dome-shaped ends or similar protuberances.

Rule 21.—(a) Baggage or any other articles specified in Rule 12 weighing more than the free allowance will be charged for in accordance with carrier's current tariff

(b) Charges for excess weight should be prepaid.

#### METHOD OF COMPUTING CHARGE FOR EXCESS WEIGHT, EXCESS SIZE AND MINIMUM CHARGE.

Rule 22.—Should a single lot of baggage be of excess weight or excess size, or both, the total charge will be computed by adding 5 pounds per inch of excess size to the number of pounds of excess weight and multiply the total number of pounds so computed by the excess baggage rate per hundred.

The following illustrates the method of computation:

(1) If a trunk is 47 inches long (and there is no excess weight the extra charge would be computed on the basis of 2 inches (10 pounds).

(2) If a trunk is 47 inches wide and 49 inches long (and there is no excess weight) the extra charge would be computed on basis of 6 inches (30 pounds), since two of the dimensions exceed 45 inches.

(3) If a trunk is 47 inches high, 48 inches wide and 49 inches long (and there is no excess weight), the extra charge would be computed on the basis of 9 inches (45 pounds), as in that case three of the dimensions exceed 45 inches.

(4) If a trunk is 47 inches high, 48 inches wide and 49 inches long and there is 100 pounds excess weight, the extra charge would be computed on the basis of 9 inches (45 pounds for excess dimension) and 100 pounds for excess weight, total 145 pounds.

The minimum collection for any shipment of excess baggage, either of excess weight or excess size or both, will be 25 cents.

No charge will be made for a fraction of an inch.

Charge for excess size must be made regardless of the number of tickets presented.

#### STORAGE.

Rule 23.—(a) Storage will be charged in accordance with current tariff on each piece of baggage or other articles carried in regular baggage service, either inbound or outbound, checked, or not checked, remaining at stations or wharves over twenty-four hours.

Exceptions.—(1) Baggage and other articles will be held free when received at any hour Saturday and claimed before same hour Monday following, or when received at any hour Sunday and claimed before midnight Monday following. If not claimed within the time specified, storage will commence 24 hours after receipt of the baggage or other article. Dominion holidays will be treated same as Sundays. When a Dominion holiday falls on Saturday or Monday, or is observed on either of those days, the Sunday and the Dominion holiday combined will be treated the same as Sunday. No deduction will be made for Sundays or Dominion holidays after storage has begun.

(2) Sample baggage of commercial travellers holding current year's commercial travellers' transportation privilege certificates, arriving at stations in Canada after 1.00 p.m. Fridays, will be stored free of charge until midnight the Monday following.

(3) Storage charges will be waived on baggage belonging to Trans-Pacific and Around-the-World passengers while en route through Canada.

(b) On any such baggage or other articles delivered at stations or wharves under claim or identification checks which is reclaimed and not checked out, or for which valid transportation is not produced showing that the owner is a passenger, storage will be charged at rate as per current tariff, without any free time allowance.

(c) Such baggage or other articles in bond will be subject to storage charges when checked to and bonded on a station at which a customs officer is regularly on duty at train time. Such baggage and other articles in bond under other circumstances will not be subject to storage charges.

(d) After the expiration of 24 hours from the receipt of such baggage or articles in storage, the carrier shall be liable as a warehouseman only.

#### LOST DUPLICATE CHECKS.

Rule 24.—If passenger loses a duplicate baggage or parcel room check and can identify himself or herself to the satisfaction of the carrier as the owner of such baggage or article, it will be delivered on payment of charge in accordance with current tariff for lost duplicate check and on signing a lost duplicate check receipt. On return of lost check to carrier making collection, amount collected will be refunded.

#### IDENTIFICATION CLAIM CHECKS.

Rule 25.—All baggage or other articles delivered at stations or wharves and not immediately checked to destination should bear a claim check or the baggagemen must be requested to issue an identification claim check when the baggage or other articles are received, otherwise no responsibility will be assumed by the carriers for such baggage or other articles left on their premises.

#### GENERAL RULES.

Rule 26.—(a) Any articles not specified in the foregoing rules shall not be carried in regular baggage service.

(b) Passengers should make memorandum of their baggage check numbers.

(c) In the case of baggage or other articles checked upon a through ticket at any point in Canada for conveyance to another point in Canada over any railway or railways subject to the legislative jurisdiction of the Parliament of Canada, other than the Intercolonial Railway and the National Transcontinental, the carrier checking such baggage or other articles, in addition to its other liability under these regulations shall be liable to the extent provided for by these regulations for any loss, damage or injury to such baggage or other articles caused by or resulting from the act, neglect or default of the connecting or other carrier to which such baggage or other articles may be delivered in Canada, and from which the connecting or other carrier is not by these regulations or otherwise by law relieved; and the carrier so checking the baggage or other articles shall be entitled to recover from the connecting or other carrier on whose line the loss, damage or injury shall have been sustained, the amount of such loss, damage or injury as it (the checking carrier) may be required to pay under this regulation, as may be evidenced by any receipt, judgment or transcript thereof; and except as provided by this regulation the liability of the carriers for loss of or damage or delay to baggage or other articles checked to points beyond their lines shall cease as soon as such baggage or article is delivered to the next connecting carrier.

(d) In case of non-delivery of baggage or other articles checked, notice must be given in writing to the carrier at destination within twenty (20) days after arrival of passenger thereat. In case of damage or delay to baggage or other articles checked, or loss of any of the contents from a receptacle, such notice must be given within twenty (20) days after delivery of such baggage, article or receptacle, otherwise the carrier shall not be liable.

(e) Baggage and other articles carried under these regulations from Canadian to United States points and vice versa, must be examined by customs officer, or they will be held at the border. Passengers should attend to this personally.

(f) When any baggage or article is checked to a flag station it must be claimed by presenting duplicate check to train conductor or baggageman; otherwise baggage will be forwarded to first station beyond where an agent is on duty and must be claimed at that station.

(g) All baggage and articles left unclaimed in baggage rooms for twelve months, may be sold by public auction.

##### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1906*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.
